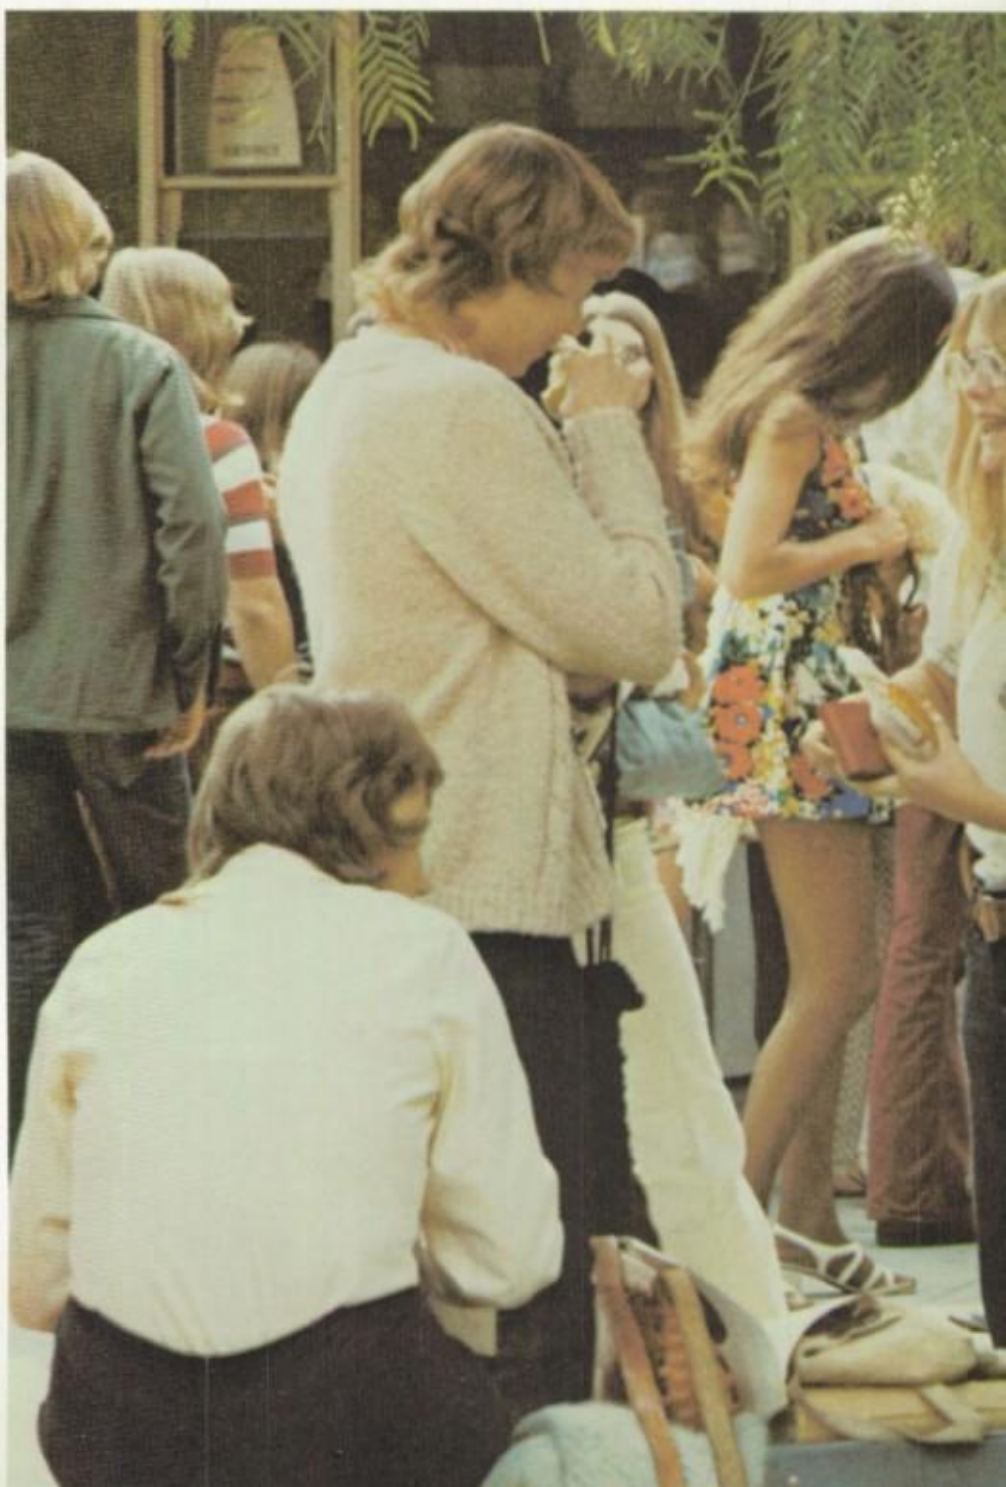
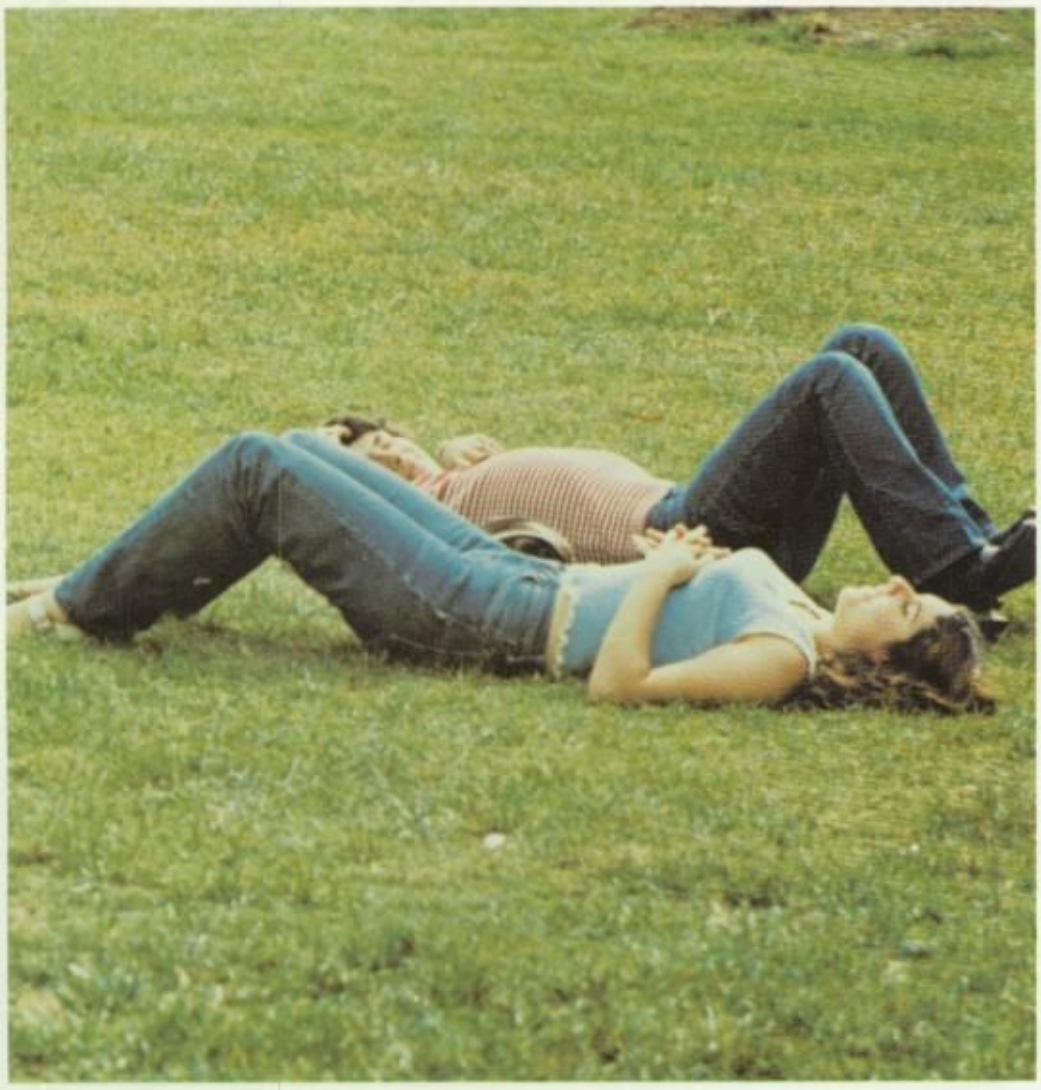
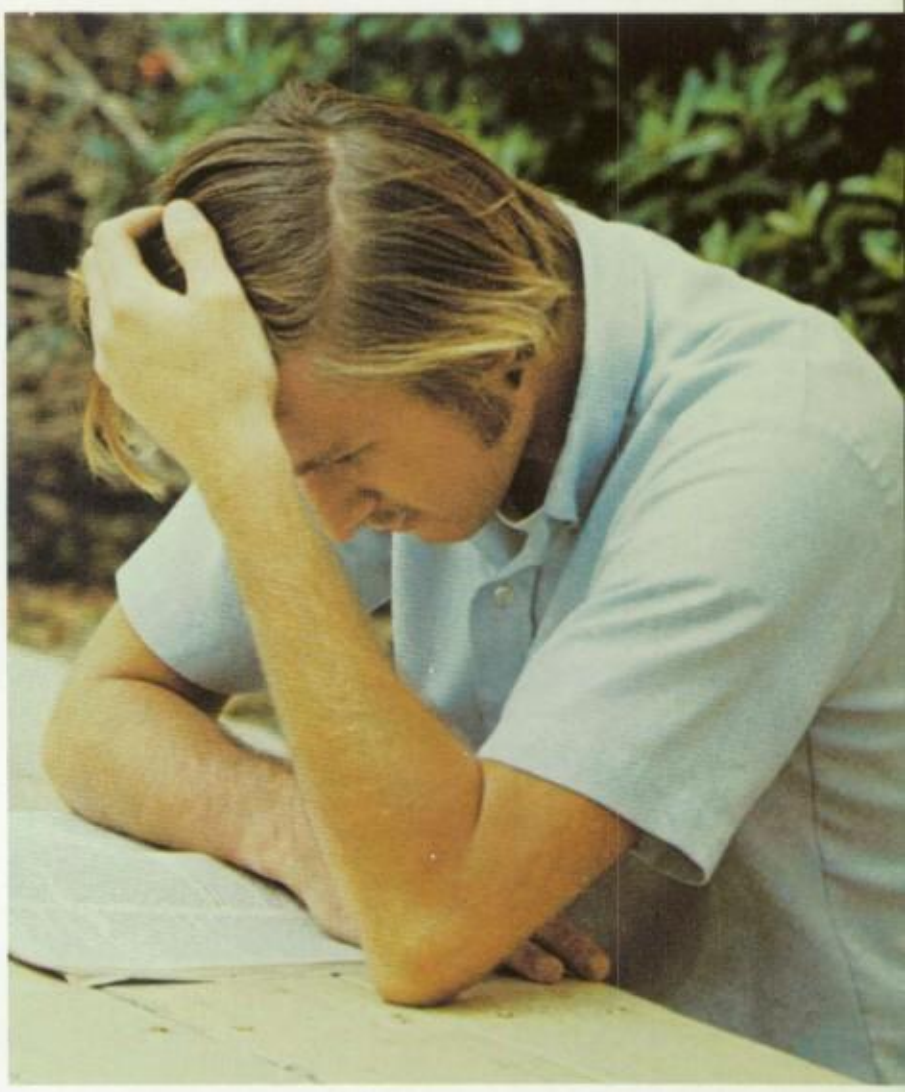
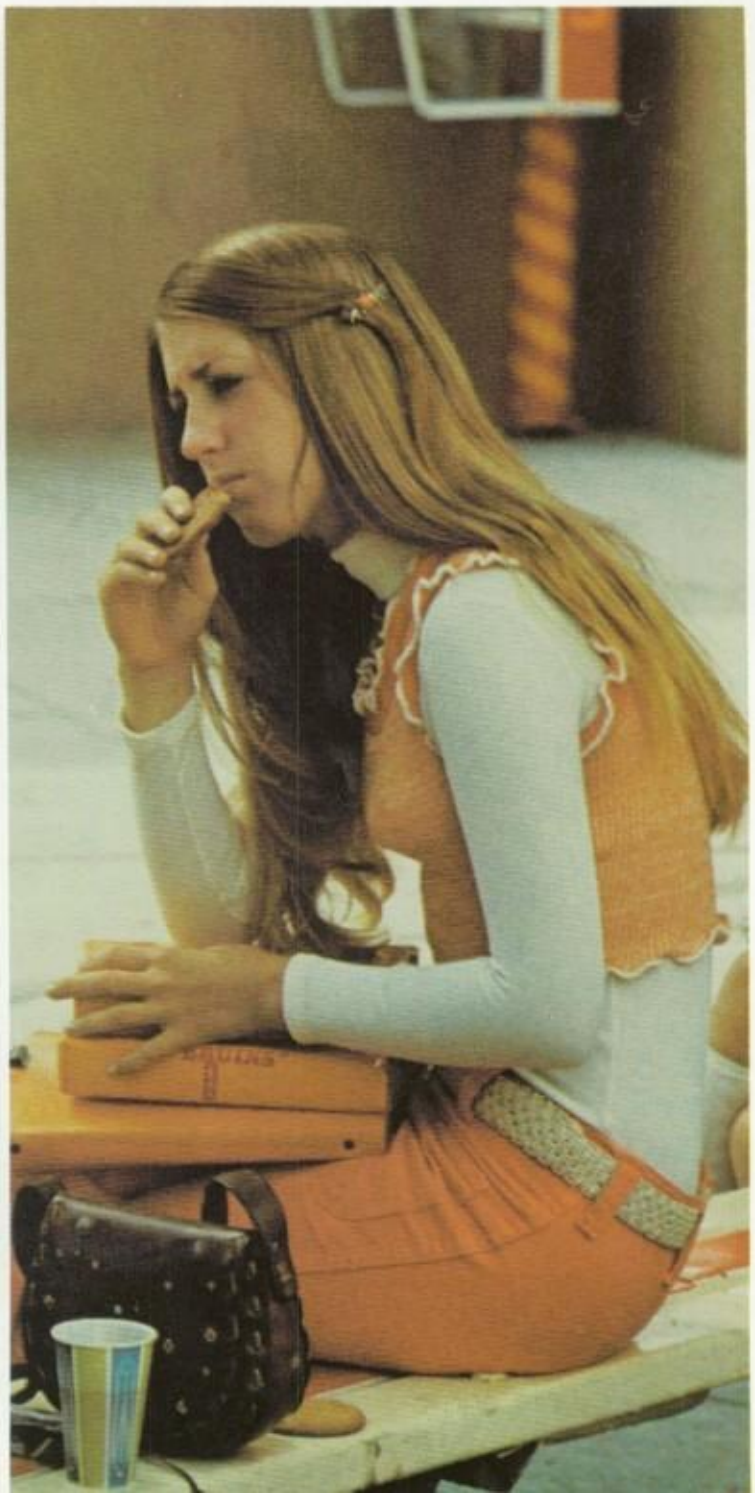
Expressions

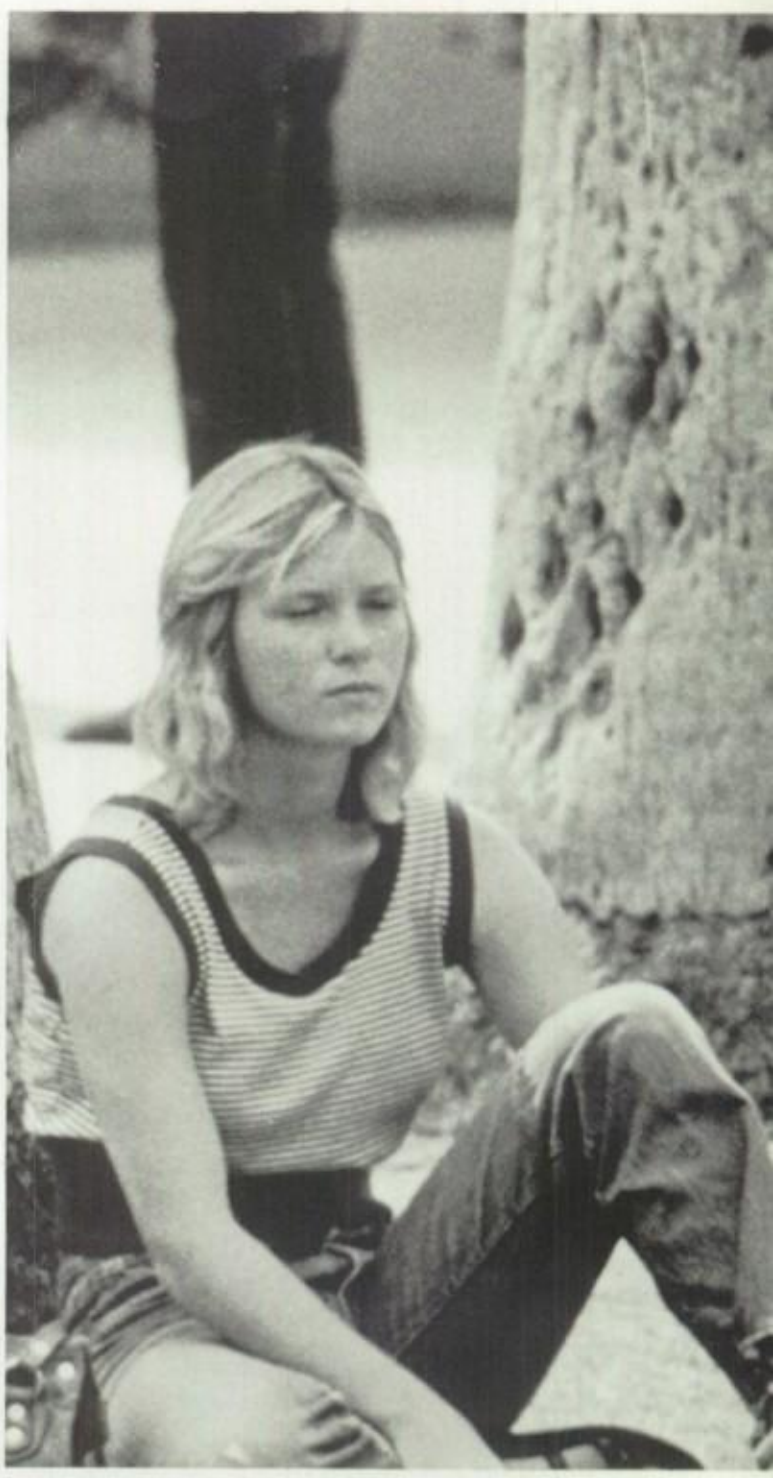
are our thoughts etched upon our faces and
traced in space by
the patterns of our movements.
They are outcries of emotion, illusions of
feelings, and insights into minds and
souls. Each single
thought is a single emotion; each single
emotion is a single
expression.

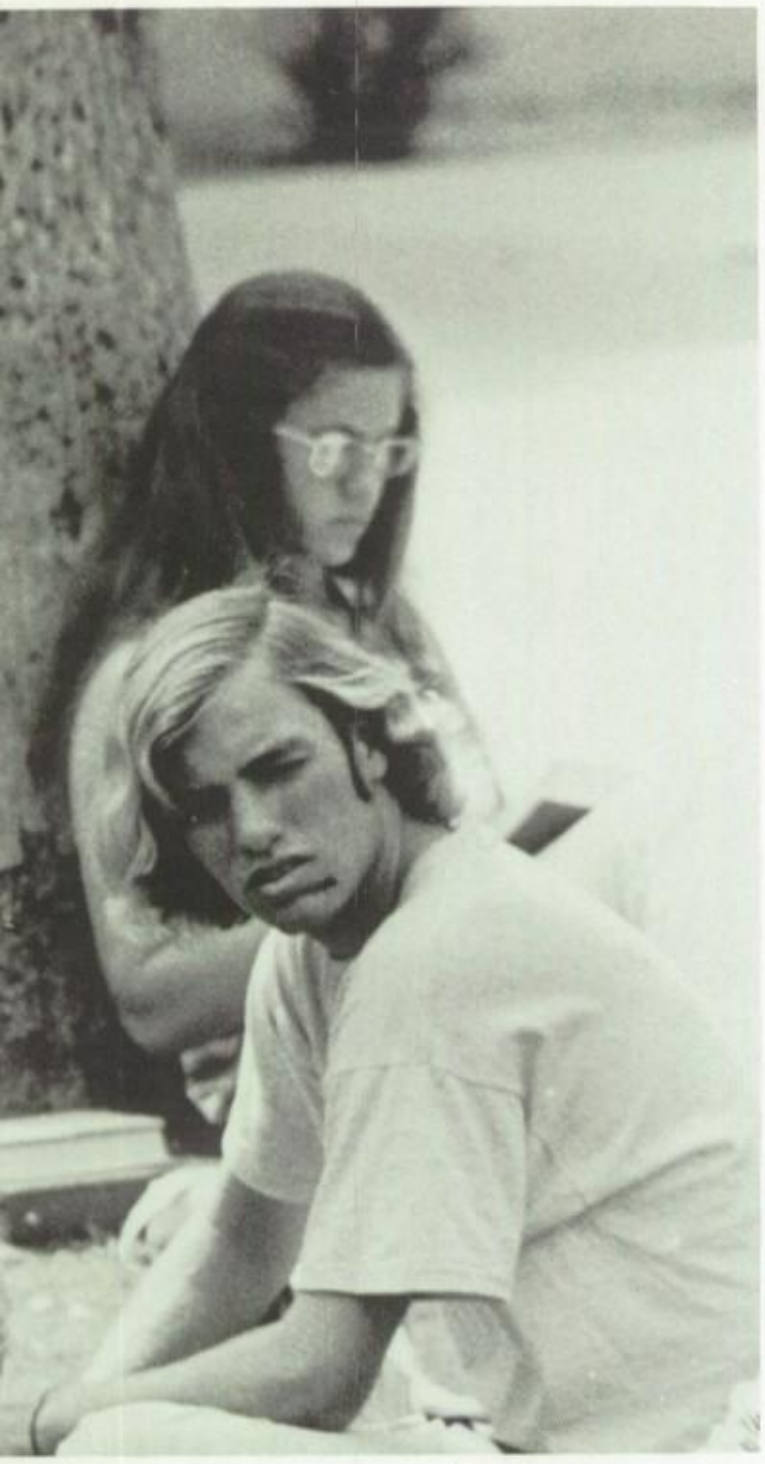






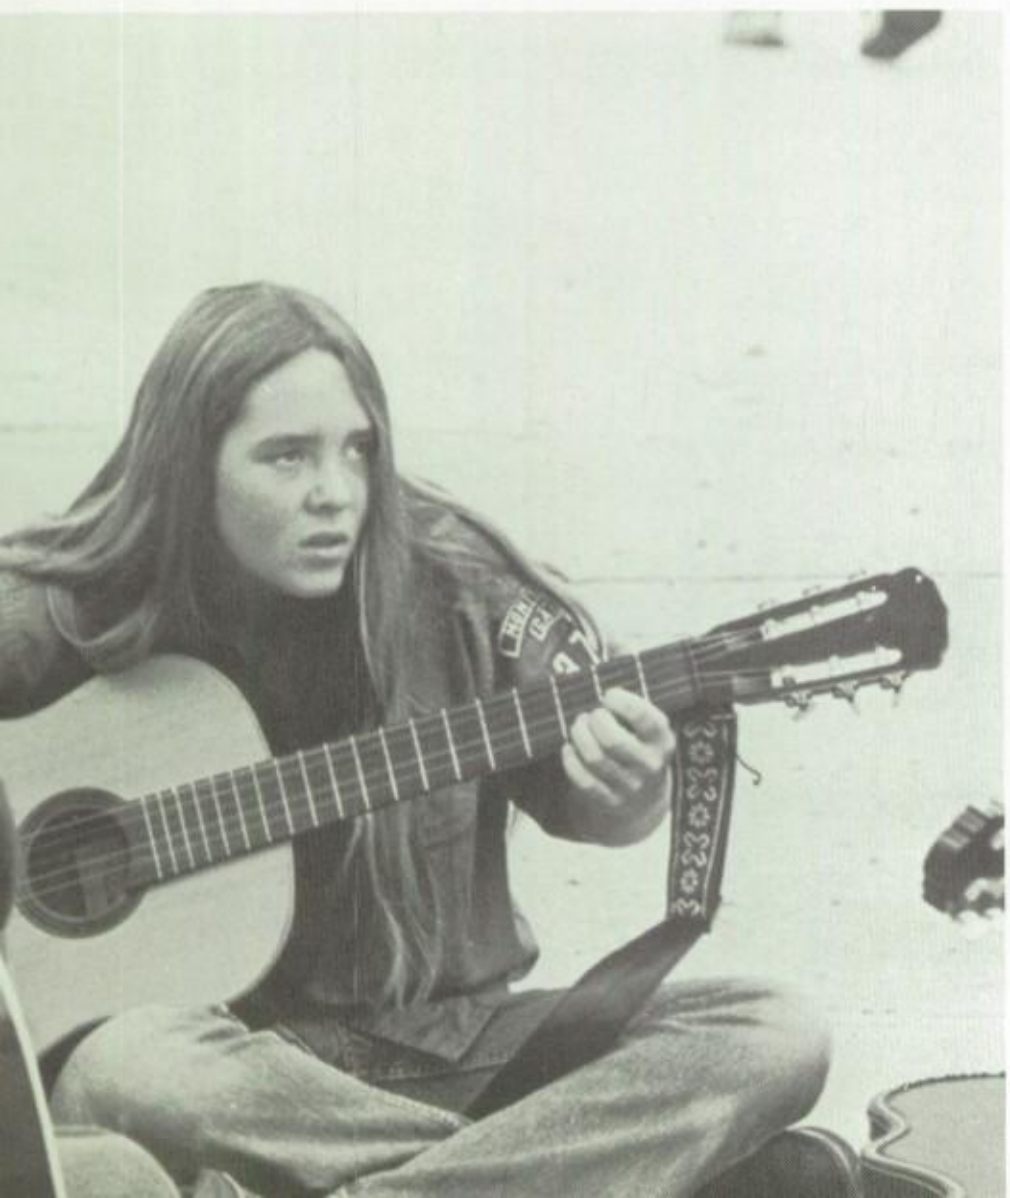


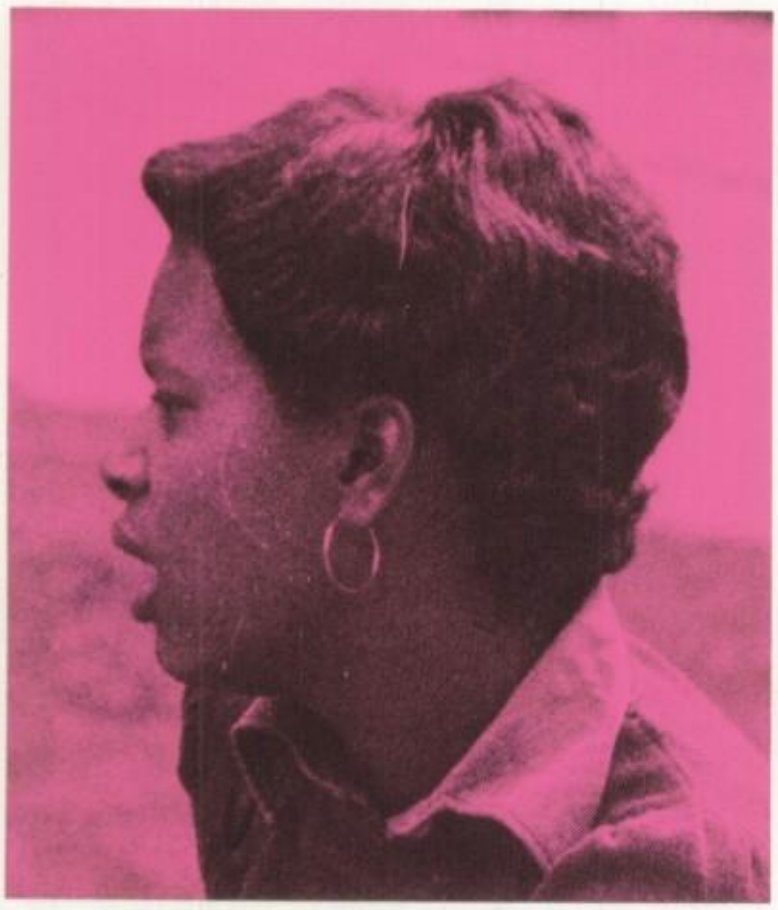




Expressions

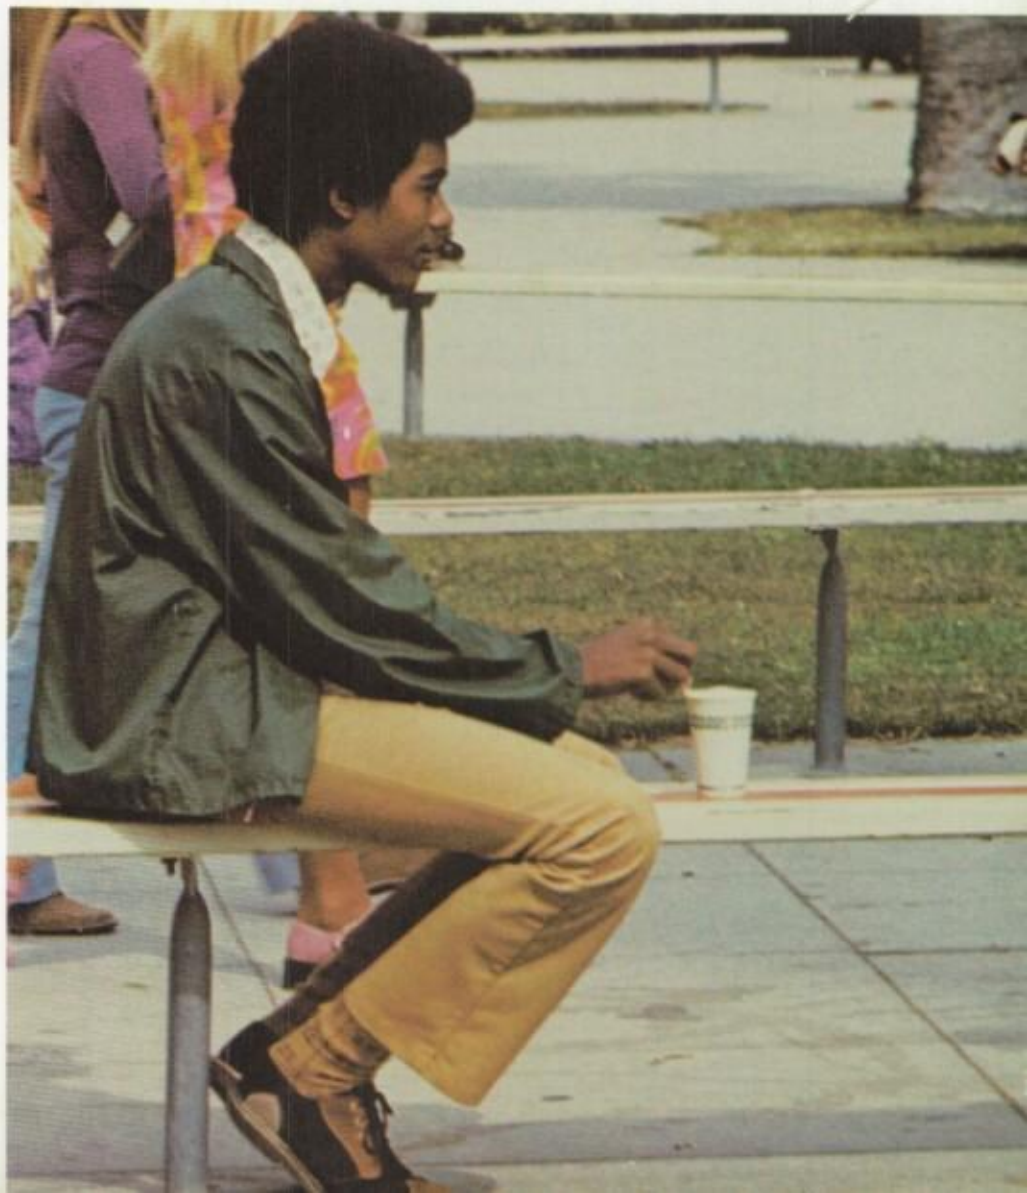
vary with time and
with age; they vary within nature, people
and inanimate objects. Yet, each can
express their age, mood, and purpose
with equal ease.
Each classroom clearly expresses itself as
a unique space of learning.
Each tree expresses an individual amount of
beauty and age.
Each anxious face waiting at the Arches
expresses a different expectation of what
is to come.

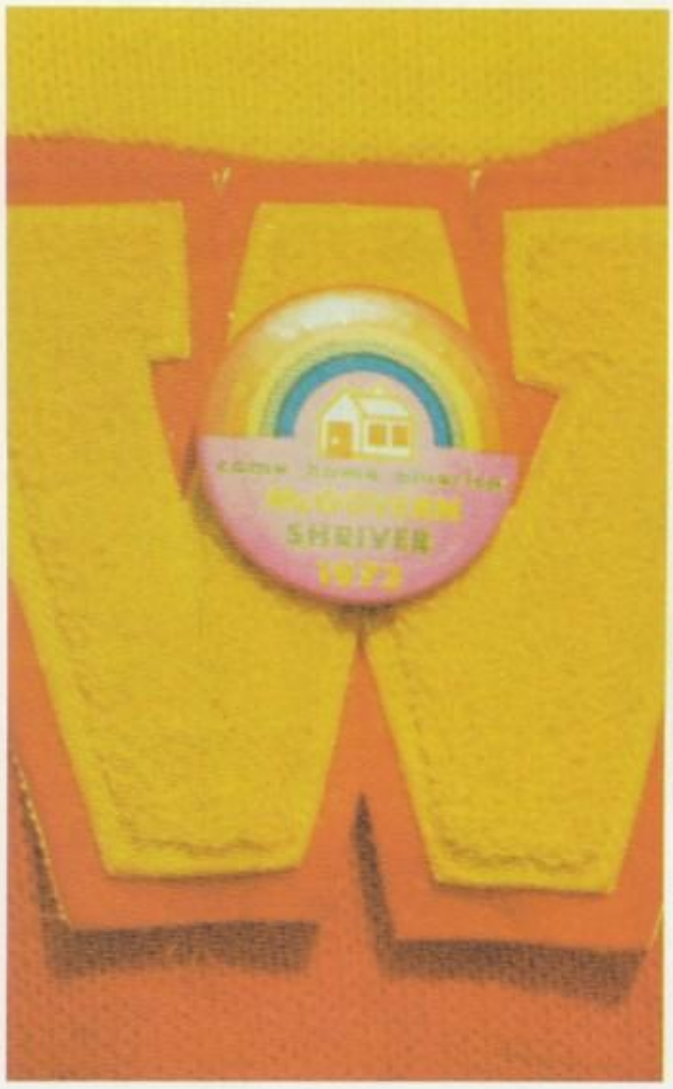




Expressions

on our faces showing images of life
and of Wilson.
We see the faces of yesterday in pictures—our
expressions of reflection show.
We hear the sounds of today coming from
the Quad—our expressions
of confusion come through. We are reaching
toward the moods
of tomorrow—our expressions of uncertainty
emerge.





SHRIVER

now
more
than
ever

Expressions

are based on our accepting and criticizing
of life and the world around us.
The seasons of expression—
the mood of the sky changes from blue to
gray, the mood of the earth changes
from silent slumber to abundant vitality, the
mood of Wilson
students parallels that of
nature. For we too have seasons,
more varied and shorter, yes, but still following
the patterns set by our provider,
earth.

Campanile captured activities and associations

Campanile is trying to express the year
in pictures and copy.
Many hours are spent making layouts, writing
copy, cropping pictures, and searching for names
just to produce one page.
Each year is different and each
year's class must attempt to uniquely express
the tone and mood
for that year. We try to catch the
thread of this mood at
its beginning
and let it wind throughout the book.

Loudspeaker broadcasts the news

Continuing with its award-winning tradition, the *Loudspeaker* staff helped Wilson students keep informed. "Action Line" was added to this year's paper, giving students a chance to ask questions and get answers about school procedures and events. Sports, special activities, and people were also a part of this year's *Loudspeaker*.

Fall student council showed their split personalities

In describing the actions and ideals of this year's Student Council, the word change became worn and obsolete. Fall semester's Student Council tried to be innovative. By reassessing many situations, traditions and ideas, Council implemented several new programs, eliminated several old ones, and even revived a few out of the past. For the first time Student Council sold A.S.B. cards to help boost spirit, earn money for the Student Body and give students discount tickets for most events. This was an experimental program which was new and, more importantly, benefited all. The carnival atmosphere of this year's homecoming brought a resurgance of spirit from those "crazy days" of the past. The gearing of the day's activities towards both alumni and students brought out the true Wilson spirit of past and present. Innovative plans for revising the elections and the election assembly were started. A newly revised Constitution and new image for Student Council have emerged. First semester Student Council worked to improve things within its jurisdiction.

This year's Fall Student Government officers were; President Dave Porter, *above far left;* Newsletter Co.-Editor Laurie Burkhardt, *above left;* Corresponding Secretary Tracy Crandall, Governor of Activities Melissa Miller, *above;* Vice President Chris Dearth, Girl's League President Katie Dunahoo, *far left;* Governor of Finance Lee Kyriacou, Governor of Welfare Bonnie Campbell, G.R.A. Spring Council attempted to broaden representation

The Spring Semester Council, in conducting student body business, attempted to broaden its responsibilities, and acquire for the students of Wilson greater control in the many issues concerning them. Proposals were introduced through the Curriculum Committee to instigate student/teacher evaluations and install uniform citizenship grading throughout the school.
Of primary interest to the council spring semester was the establishment of effective communication and cooperation between the five schools of Long Beach. A first step toward such a goal was realized with a joint meeting of student councils at Millikan High School. It was hoped that, in the future, a stronger union of student governments would allow better student representation on the district level—where school policy ultimately is formed.
Communication was also a vital interest of the spring council. The council Newsletter continued regular publication and a "Free Expression Board" was erected. To encourage the new students to various aspects of student life at Wilson, a special orientation meeting was held. Also, a newly revitalized Club Council published a detailed club directory as well as coordinating the activities of the clubs.

Time, effort, and energy characterized girls' league

Sponsoring such activities as the annual Big and Little Sister Picnic, Pizza Party, Pickle Sale, and Ice Cream Social, *Girls' League* continued to be one of the most active clubs on campus. The girls, sponsored by Mrs. Lynn Hambly, also participated in this year's festive homecoming activities by organizing their own carnival booth. The club's purpose, to promote school spirit, was carried out through weekly meetings and activities. Fall Advisory Board included, C.Baker, J.Baker, J.Cahill, S.Cassara, K.Deatherage, J.Eddy, M.Ferrone, D.Haines, K.Herrington, C.Holzman, L.Mageean, J.Marcus, S.McClory, C.O'Toole, J.Porter, D.Raines, M.Riedman, J.Roberts, P.Ruppett, C.Sandiford, N.Siemion, C.Singer, S.Smitter, A.Squire, J.Steichen, L.Stylianedes, D.Teele, C.Torres, and J.Wigod.

Committees secured goal of close bond with student body

To act as a laison between students and administration was the purpose of this years *Student Interest Committee.* Members met with Dr. Garcia to discuss ideas and complaints coming from students. They offered solutions and suggestions to various committees and directors. Members included Suzanne Whipple, Faith Richie, June Raquipiso, Clyde Mailes, Julie Lee, Jack Hollander, Lori Littlefield, Dayle Dodge, Sharon Croom, Laurie Byrne, Bob Lockhart, David Hernandez, Pam Scow, Cindy Morales, Dave Porter, and Kevin Warner.

Safety and Beautification met only a few times but a lot was accomplished. Recycling centers reopened and plans were made to paint trash cans, also to hold an all district litter drive.

Cirriculum Committee, composed of ten faculty members: Miss Tressler, Mrs. Morton, Mr. Samia, Mr. Cox, Mr. Anderson, Mr. Rattenbury, Miss McGrew, Mr. Balwin, Mr. Workman, and Dr. Garcia, provided a better selection of courses. Three pilot classes are Media Workshop, Senior Honors Program, and Semantics II. Pam Scow, Rose Baglietto, Faith Richie, Terra Lynn Dearth, Chris Dearth, Lee Kyriacou, Bob Lockhart, and Laurie Byrne were students involved.

To meet the interests of students, *Assembly Committee* produced a variety of assemblies. In conjunction with Bota Bag, a skiing assembly was presented. Other programs were a film narrated by John Goddard and bicycling slides narrated by a cycling buff. Members of this committee were: Melissa Miller, Chris Dearth, Steve Fillipow, Bob Lockhart, Cindy Perez, Fay Suffin, Barbara Whitney, Lynn Young, Terra Lynn Dearth, and Jon Thorpe.

Folk music, fine arts, sera and cjs provided for a wide variety of interests

Two newly established clubs on campus this year were *Fine Arts Guild* and *Folk Music Club.* *Fine Arts Guild* members traveled to local movies, plays, concerts and the San Diego Shakespeare Festival to participate in and promote local cultural activities. Their sponsor was Mrs. Billie Polkosnik. *Folk Music Club* assisted students in developing their music performance and appreciation of folk music. In addition, field trips to several folk concerts and coffeehouses were made with their sponsor, Mr. Robert Hagen. A new song was taught each week and various guitar styles were taught to members.

Another new club started this year was *SERA.* The purpose of *SERA* is for people of both sexes to have an opportunity to get together and see each other as people instead of stereotypes. Sponsored by Mr. Hagen, they attempted to clarify fallacies regarding the Feminist movement. Activities included co-ed football games with other communication exercises, parties, and a trip to the mountains.

Members of *California Junior Statesmen* sent representatives to a statewide conference in the fall and a regional conference in the spring. Acquainting students with the workings of their Federal, State and local governments and using this knowledge to use the government to attain their goals and work within the system was the major goal of *CJS.* Sponsored by Mr. Roger Powell, this club was open to any student interested in our political system.

Physiology explored the complex — quill and scroll perfected writing

Trips to hospitals and medical schools were among *Physiology Club's* activities this year. Under the advice of Mr. Herbert Egelko, the club members also staged a traditional car wash. It was felt that the purpose of the club was to enrich the activities of physiology classes and provide students with learning through real experiences.

One of Wilson's smaller clubs this year was *Quill and Scroll.* The club, headed by Mr. Joel Indes, promoted a special interest in journalism to Bruins. Members consisted of *Loudspeaker* staff members and other journalism students. Nearly every month, these eager students paraded around campus selling various small items to raise money for their annual *Loudspeaker* banquet. Members included: James Apostle, Tom Barmeyer, Ann Began, Regina Belli, Steve Bish, Paul Bodine, Don Borst, Thomas Brennan, Janet Cassara, Glenn Ciccarelli, Tim Cohee, Marie Combs, Jim Cox, Barbara Cupper, Patricia Davey, Dean Decker, Greg Depretto, Carol Edwards, Margaret Everett, John Gold, John Hacker, Rebecca Harris, Guy Hearn, Robert Holland, David Holton, Robert Jamieson, Greg Johnson, Joan Johnson, Robert Johnson, Desta Jones, Mary Juarado, Kim Kelly, Mike Lazer, Lucy Mageean, Debbie McGrath, Raymond Mattson, Lorena Morrison, Steven Pedersen, Yvonne Quinn, Mike Reed, Dave Rooks, Bryan Smith, Brian Strassman, Wanda Taylor, Anne Terwilliger, Martin Wagoner, Gary Waldren, Bruce Wassman, Eric Young and Lynn Young.

Sophomores and woodies support school

Wearing red and gold on Friday to help support the football team was only one of *Rally's* many school-spirited activities. Enthusiastic members sold football programs at games and made posters to advertise each sporting event. Weekly meetings were necessary to organize the week's activities.

Orchestra delivered the beauty of music

Wilson's award-winning Orchestra once again proved itself superior competing in District and Regional festivals at Beverly Hills, Redlands, and San Diego. In addition to performing in four concerts at Wilson, the Bruin musicians entertained enthusiastic audiences at Leisure World and the Jewish Community Center. Led by Mr. Rolland Sandburg, members raised money for various activities through concert ticket sales and other endeavors. We salute our musicians and sincerely believe that our school's reputation for having the very best will be carried on through the years and never be forgotten.

Crowds pleased by Pepsters performances

Assemblies, halftimes, track routines and parades kept Wilson's *Pepsters* busy this year. Practices three or four days a week beginning in May were necessary to keep prepared for their tight schedule. The Group, sponsored by Mrs. Margaret Kemp, also attended all basketball games and performed at several junior high and elementary school assemblies.

Yell advertised Wilson pride and Bruin spirit

Uncovering buried enthusiasm and spirit was *Yell's* main job during pep assemblies, football games, and basketball games. The new rythmic chant to "Victory" was only one of the innovations used by the team to induce many ear-shattering cheers. The excitement generated by the eight girls and two boys themselves was enough to flush out that little extra bit of volume from many Bruin fans.

WILSON

Band was comprised of many talented students

Award winning *Bruin Marching Band,* under the supervision of Mr. Rolland Sandberg, continued to thrill fans at football games and parades. The 170 member band performed under the expert direction of Drum Majors Bob Lockhart, John Yengich, and Al Fronke. Drill Captain, John Ervin, and Head Shield and Banner, Jan Cleveland, helped to contribute to Wilson's reputation. This achievement was topped off by John Yengich who was chosen, one of two to represent the state of California and Wilson, to be in the McDonald's All-American Band. We were proud of the band this year, which was one of the most spirited groups on campus.

Zygomas recognized the efforts of clubs with "spirit spots"

With enthusiasm-plus,
the 20 member *Zygomas* clan worked diligently
to boost spirit. Selected on the basis
of their involvement at Wilson
for three years, these Senior girls were chosen to
give extra special service to the school. Crowning
Creeps of the Week, decorating the goal posts,
giving presents and kidnapping
athletes, entertaining at the Big-Little Sister
picnic, and holding a Slave Sale
were a few of their traditional activities.
Innovative ideas were also introduced
to provide a change of pace. Giving a
"spirit spot" to deserving groups on campus,
aiding the Booster Club when asked and
selling refreshments at athletic events were just
a few products of their brainstorming sessions.

Homecoming court dazzled bruins

Contests, costumes, and various activities added to the carnival atmosphere of Wilson's 1972 Homecoming. Students participated in a dance marathon, tricycle races, water balloon tosses, and pie-eating contests. Several booths were in service, giving tattoos and selling food, posters, and other miscellaneous items. Bruins crowned Homecoming Queen Lori Lethin and honored Sophomore Princess Dana Avery, Junior Princess Doreen Myers, and Senior Princesses Becky Bernhard and Janet Fulton at the Homecoming assembly. Many excited fans turned out for Wilson's Homecoming game that evening to support the team and observe the festivities.

Drama club successfully inspired interest in dramatics

Drama Club continued tradition by producing two plays this year. The plays were: "If that's Where It's at, baby, I'm not goin'!" and "Barefoot in the Park." Both were directed by members of the club. Sponsored by Mr. Randy Bowden, Mr. Ernest Morrison, and Mrs. Karen Harden, fund raising projects included bagle and candy sales.

Service was key word for ecology, interact and red cross

Interact, an organization for high school boys, boasted 45,000 members in fifty-nine countries this year. Sponsored by Rotary International, Wilson's branch helped needy areas in the community and helped to promote international understanding through its service.
A "Clean Air, Clean Water" campaign was launched this year by the *Ecology Club.* It also planned and put on an ecology assembly, sponsored an ecology fair during Earth Week, and, aided by sponsor Mr. Robert Smith, set up recycling centers located on campus.
With Karen Heistand and Susan Lowe presiding, *Red Cross* engaged in many worthwhile projects. Their annual Red Cross Drive helped raise funds for those who were needy through collections from students. Mrs. Byczynski was its sponsor.

DECA was enthusiam in a business-like manner

Parading their wares around the Wilson campus early this year, *Deca* salesmen presented Bruins with the club's annual candle sale. The eager salesmen then sold balloons at our Homecoming Carnival and won overwhelming approval by Wilson students.
Deca's activities included attending the State Leadership Conference and the Delegates Conference, held in Oakland, California this year. Mr. Don Shaw, Deca's new advisor, accompanied the enthusiastic students during these field trips.
Club members feel that the purpose of *Deca* is to promote understanding and appreciation of the responsibility of citizenship in our free, competitive enterprise system.

Water polo represents athletic goals

The Varsity Water Poloists, after early preseason predictions of being one of the top teams in C.I.F., had a rather sluggish start. The Bruins, after losing a few of their early preseason games finally became untracked with some impressive victories. However, the Bruins went into the Moore League race with some second thoughts about their chances of winning. After restoring Millikan, 13-6, the Bruins' hopes for a League title were once again a reality. The poloists were led by three outstanding returning letterman Pete DeGolia, Jon Coultrup, and Scott Smith. The offensive thrust of this year's team came from DeGolia, who was All-City and All-League last year, Coultrup, Lobdell, Smith, and Tim Shaw, the only sophomore on the varsity team. The seldom-mentioned defensive stars of this year's team were Bill Richardson, up from the sophomore team of a year ago; Dave Perry; and goalie Tim Ledford, a transfer from Poly. The Bruins also held in reserve a diversified group of talented players to draw from, who included: Pete Powell, Mark Thon, Ron Rhoads, and John Dunster. The Bruins were coached by the very talented Mr. Paul Zack.

Jv's succumb to powerful league foes

Traditionally, Wilson unfolds good JV water polo teams, and the 1972 version of the team followed this tradition. However, the poloists suffered a tremendous setback in their quest for a Moore League title by losing their league opener to a powerful Millikan team. The JV team was led by such outstanding players as Rich Montague, Mike Rowan, Jim Hardie, John Peters, Rick Earle, and Wes Koerner, the goalie. The team possessed a good group of talent for the future.

Sophomore's ability indicated bright, promising future.

The sophomore water poloists, with some impressive showings in pre-season competition demonstrated that they were a highly talented group and very capable of defending their league title. The poloists began their Moore League campaign in a successful note by dismantling a highly praised Millikan team. The sophomore polo team had to overcome the factor of inexperience, but with the excellent coaching of Mr. Joseph Gruneisen, the Bruins, after just a few games, played with the finesse and grace of a highly lustered product. The starting team showed considerable talent. The team showed great offensive and defensive balance in the starters, but lacked the support from the bench, which in many cases may be the difference between victory and defeat. The offensive thrust for the Bruins was spread between the starters Casey Coultrup, Chet Hartley, Scott Frederick, Peter Riley, Scott Shepard, Eric Peters, Steve Lee, and Greg Boege. The goalie was Greg Perrie.

Gridmen battle through toughest pre-season ever

The Varsity Football team played more like panda bears than Bruins in their first two games of the pre-season, losing to West Torrance 14-13 and Westminster 23-6. However, they turned into grizzly bears for El Rancho, beating the ex-Moore Leaguers and Moore League Champs 15-14. The team then went into hibernation and was scorched by Mater Dei 27-0.

Varsity gridmen suffered a frustrating 2 - 7 season.

Rah! Rah! Beat the Skinheads! Beat Jordan! Beat Millikan! These are only a few things that were screeched to no avail this season. An injury-plagued team faltered to a disappointing 2 win, 7 loss season, beating Compton for the only Moore League victory. The offensive unit was led by backs Robin Holm, Dean Olson and Bob Gasper. Linemen Rich Brizendine, Mark Benevidez, Tom Barmeyer, Randy Sager and Mark Olson opened holes for the backs and protected Craig Johnson while he threw passes to ends Dean DeVoe, John Greene or Bob Newmaster. The Defense was manned by linebackers Jerry Ross, Dave Utterback, Neal Osborne and Bob Roger. The front line of Ron Kelsey, Mike Christmas, Bill Stull and Mike Reed tried to tackle opposing backs before they entered the defensive secondary which consisted of Scott Kirkland, Carl Mortenson, and Bob Newmaster. Several J.V.'s were brought up to varsity to replace injured players: Richard Hillier, who broke his arm, and Kevin Warner who broke his jaw.

Undefeated JV's won championship; sophs took third.

Aggressiveness, both offensively and defensively, characterized the 1972 JV football team. They captured the league title with a perfect 9 - 0 record. The defense limited their opponents to 39 points while the offense ran up 275.
Tri-captains C.Ito, L.Agajanian and M. Olson gave excellent leadership. L.Andrews, C. Mailes, D.Hutton, B.Holland, D.Way, G.Walden, A.Matson, D.Kelley, S.Ireland, M.Lucas, R. Simms, K.Thompson, P.Verne, and A.Deemer all played well.
After an impressive pre-season of 3 wins and 1 loss, the sophomore gridders found league play tough. The team mustered only 2 wins, these being over Jordan and Compton. They were led by M. Began, R.Smith, K.Kauffman, G.Bishop, T. Brennan, C.Mandryk, R.Reyes, D.Watson, B. Holmes, J.Ritzer, C.Young, and J.Medberry.

Hard work and self-satisfaction made this year's distancemen.

After a somewhat successful season of 2 wins, 3 losses, Wilson's Cross Country team placed third in the team standings. The Bruins were lead by some outstanding and dedicated individuals: R.Batterson, J.Neuburger, M.Ahlgrim, D.Collier, and S.Moore. With hard work and dedication, Don Smith was placed on the Moore League All-Star team. The Bruins also placed well in the Long Beach, Corona Del Mar, and Palos Verdes Invitationals. Striding to an impressive record, the JV distance men placed second in the Moore League. The team was lead by Kim Gibson, a JV League All-Star. Varsity captured league title; J.V.'s stumbled to third place finish

For the second time in the last three years, and only the second time in Wilson history, the Varsity Basketball team captured the Moore League title. The general concensus was that a third place finish would be the top for the Bruins. The big red and gold machine sputtered in pre-season play, compiling only a eleven and five record. Then with the addition of Dean Decker, up from the J.V. team, the Bruins re-grouped forces and began their Moore League campaign. They swept through the first round of league play by registering five consecutive victories. They suffered their first and last loss to Millikan in the first game of the second round. The Bruins then squeaked by their remaining four games with what many people termed luck, but what should have been termed hardwork and talent. Entering the C.I.F. play-offs, they played Marina in their first game. The starters and bench deserved the same credit, because the great effort put forth by the Bruins this year was a total and complete team effort. The J.V. Hoopsters, after a sensational nineteen and one pre-season, had their problems in the always tough Moore League. They finished a disappointing third place with a six and four record.

Sophomores were impressive in league

The sophomore team placed a very respectful third place this year. The Bruins recorded six wins to only four losses against league foes. The backcourt men were Dave Smedly, Richard Rivera, and Ed San Jose. The board strength was supplied by Mike Miller and Carl Stammerjohn. The sophomore reserve team wasn't as lucky. They mounted only one win to nine losses, placing them last in league play. Both sophomore teams were coached by Mr. Robbins.

Grapplers battled through seesaw season.

Due to forfeits in different weight classes, the Varsity wrestling team finished the season with a disappointing one and four record. Outstanding wrestlers were Jim Klahn, Bob Hummel, John Weinell, Rick and Gerald Waldrup. This year's J.V. wrestling team showed outstanding promise for the future. Gymnasts captured cif berth again

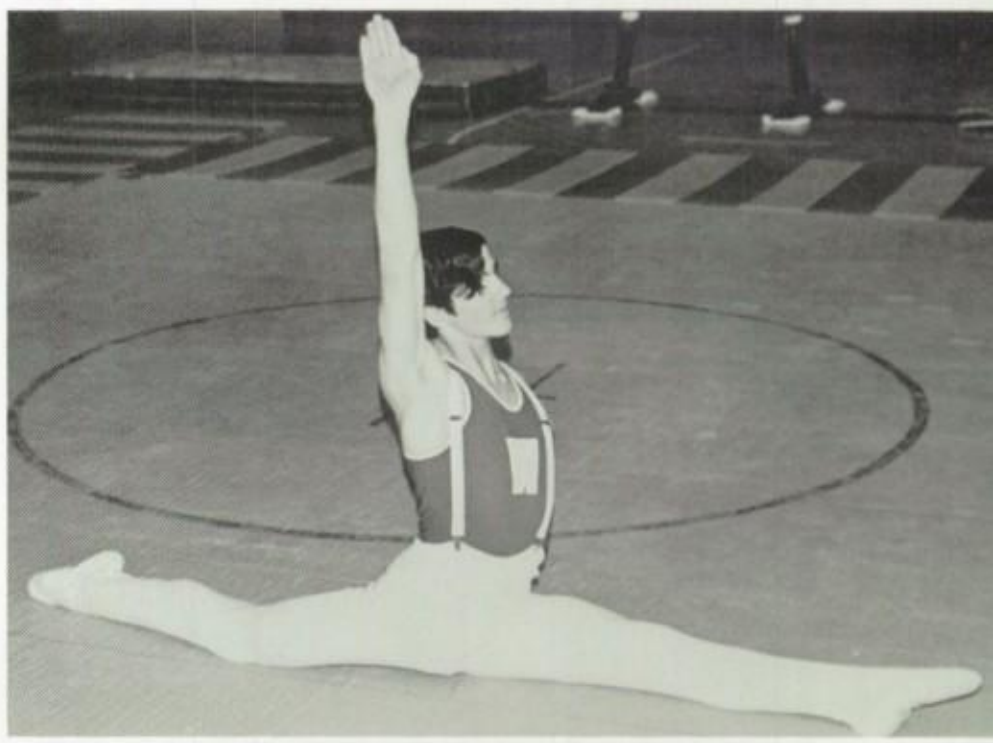
As usual, the Bruin Gymnastic team was rated as one of the top contenders for the CIF and State Crowns. This consistant success was again due to the fine coaching of Mr. Jack Elder. Well balanced and versatile, this year's team had such outstanding members as Mark Itson, who received all-around gymnast honors. Captain Steve Jacomini, Kevin Homan and Jim York gave the Bruins an exceptionally strong ring team. Perhaps the finest performance was the side horse as Brett Marchi, Dave Parent and Vic Herzfeld showed great poise. Greg Evans, George Eldridge and Mike Weidemann appeared to be stars of the future.



Brett Marchi, *top,* a senior and number one on the side-horse, executed his C.I.F. worthy "High Coubles." Limberness is an important factor in free exercise, *right,* as shown by Senior Dana Keith. Lakewood, millikan proved to be toughest baseball contenders again.

Above average pitching and hitting could not yield the Bruins a championship this year. Excellency was needed to down Millikan and Lakewood. The pitching was handled by Craig Johnson, Gary Piper, Kirk Arnold and Dick Headley. Swinging mean bats were Gary Piper, Steve Rowe, Jeff Check, Dana Ditzler and Dennis Hutton.

Under new coach,

j.v.'s performed well

With the combined talents of players and a new coach, Mike Smith, the J.V. baseball team had a successful year. Dave Torgerson pitched a perfect game against Bolsa Grande. This wouldn't have been possible without the help of infielders Clyde Mailes, Greg Walden, Tom McCook, Chris Bock and Kelly Carr. Deserving recognition for their job in the outfield was Don Kelley, Mike Wells, and Randy Lycett. It was a total team effort.

Experience determined tennis teams' success

Wilson's tennis team, with the exception of Kirk Terrell and Scott Mighell, featured new faces on the court. Terrell, an all league and all city performer of a year ago, represented Wilson's chances of upsetting league favorite Poly for the title. The team, comprised of mainly juniors, had to overcome the lack of experience, but with a tough pre-season schedule, the Bruins matured rapidly. Entering league play against a favored Millikan the Bruins proved to the league that they were not just an all-so-mentioned, but the team to beat in the league by stifling them seventeen to eleven. Playing well for the netters all year was Mare Stas, an exchange student from Belgium. The J.V. team showed good promise for the future. They gained much needed experience in team competition. The Bruins exhibited considerable talent and poise entering league play.

Varsity swimmers were one of top teams in cif

Are the Bruins number one or number two in CIF? This was the question that coaches, swimmers, and fans alike were asking themselves all swim season. Many people felt that the meet between the Bruins and top ranked Foothill would determine the answer to this question. Even though the Bruins lost the meet to Foothill, the closeness of the meet left the title up for grabs. Seeing that the final outcome of the meet was not decided until the final race, the 400 freestyle relay, and seeing that both schools bettered the then existing CIF record, one could not in all honesty say that one team was better than the other. The Bruin Varsity swimmers were led by Sophomore Tim Shaw, who holds school records in the 100, 200, and 400 freestyle and the 200 individual medley. The other stars of the team were Bill Mosher, holder of the 50 freestyle record; Scott Hartley, butterfly; Pete DeGolia, backstroke; Scott Shelton, 200 individual medley and 100 breastroke; John Dunster in the 200 freestyle, and John Lobdell, 400 freestyle.

Soph's and j.v.'s captured league titles

Deserving a great deal of praise, the J.V. and Sophomore swimming teams won league titles. Both teams, many times, went without the services of many eligible swimmers because they were swimming varsity. The J.V.'s went through league play without a defeat, capturing sole possession of the title. The sophomores posted a 4-1 league mark good enough for a share of the title. Good performances were received from Mike Rose, Scott Fredrick, and Chet Hartley.

Varsity runners lacked depth against opponents

Good, but not quite good enough against league foes, summarized the Varsity track team's performance. A 440 relay team, consisting of Dave Cash, Robin Holm, Steve Rodriguez and John Greene, gave the team a boost. Junior, Bob Pellkoffer, participated well in the pole vault and gained valuable experience. The high and low hurdles also proved to be a strength as Joe Hunter and Dave Cash turned in good times. Testing their endurance in the mile relay, John Greene and Ron Bush gave Wilson strength in that event. In the high jump, Bob Gasper demonstrated his skill.

J.V. tracksters showed versatility

Not only specialists, but all-around athletes, the J.V. track team proved itself in league competition. Their power included Dan Davis, pole vault, hurdles and high jump; Rich Gibson, 220 and 880; Bob Pearson, long jump; Vern Smith, high jump; Mike Ahlgrim, half mile and mile and Les Koerner, pole vault and hurdles. The team was a stiff competitor throughout the schedule.

Soph spikers showed promise; competitive in league meets

In almost every event, the Sophomore tracksters produced some future hopefuls. Record breaking pole vaulter, Dave Okura; sprinter, Jeff Medberry; and shot putter, Mark Childress were only a few of the stars. John Williamson high jumped over six feet, and distancemen, Dan Johnson and John Shaw showed endurance in the distance races. Some sophomores even competed on the varsity level.

Coach Stem, *left,* checked a runner's pace with his stopwatch. Talent made for a successful golf season

"Very strong" are well chosen words for this year's golf team. Led by returning Moore League golf champion, Phil Caputo, and the supporting talent of Scott Kirkland, Mark Wilkinson and super sophomores Jim Baber and Randy Beemer, the team looked unbeatable. Larry Drum, Russ Wertz, Bruce Rutledge and Anthony Bishop led this year's J.V. Golf team. With this talent, another golf championship is predicted.

Randy Beemer, *below,* practiced his swing. Scott Kirkland, *right,* admired his shot. Varsity Golf team *below right,* was *row one:* Bruce Rutledge, Russ Wertz, Mark Wilkinson, Jim Baber, Randy Beemer, Phil Caputo, Larry Drum, Scott Kirkland, Anthony Bishop, and Gary Stucker.

Volleyball achieved competence; G.R.A. promoted activities

With at least 250 very active members, the Girls' Recreation Association participated in many sports activities. During the year, competition in tennis, volleyball, touchdown, swimming, basketball, badminton and softball was held. Important victories included the winning of several All-City championships. The two semester leadership of President Kathy Deatherage and her advisory board organized candy sales, provided refreshments for opposing teams and decorated the girl's locker room for Homecoming.
In spite of a good start and a weak finish, the volleyball team was strong and competitive. Players like Patti Holden and Debbie Coleman led the "A" team for the season. Led by Billie Thompson and Susie Morrison, the "B" team lost only one game. The "C" team was spearheaded by Diane Dellinger and Therese San Agustine.

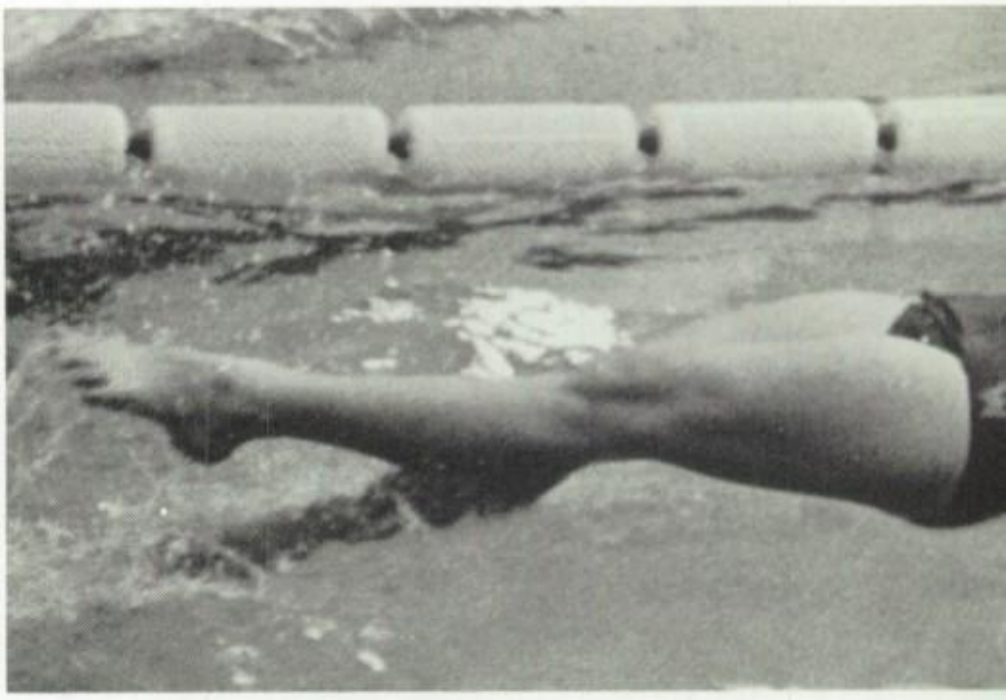
Swimming and tennis captured all-city



With an All-City Championship, the swim team showed its power. All the opposing teams were stiff competitors, but the girls from Wilson managed to pull through victorious. Spear-headed by Crystal Kemp, the "A" team lost only one meet. The "B" team won All-City Championship and was led by Robin Oliver. Led by Lisa Lamm, the "C" team went on to win all but one meet. Weather proved to be the worst competitor for the tennis team. It postponed many games, including the one for All-City Championship. Outstanding players for the varsity team were Ann Pendley, Sharon Croom, Jane Eddy and Julie Cahill. Doreen Jalowiec and Jean Thibodeau were the exceptional players for the JV team.

Gymnasts performed admirably; touchdown had short season.

Even with such outstanding players as Marianne Stangeland, Liz Pinkerton, Lorena Morrison and Debi Pellkofer, Wilson's touchdown team had a difficult season. Only two other schools entered the touchdown section of G.R.A.'s All-City Round Robin Tournament. Limited competition was rugged, leaving Wilson's team with a 0-2 record. Performing in the Christmas program was the main objective in girl's gymnastics class. Working on the horse, uneven parallel bars and balance beam the girls strove for perfection. Double stunts and floor tumbling were also on the girl's list of achievements.

Job training was part of curricular pursuits

Approximately 50 Wilson students participated in the BTC-LAC Co-op program this year. Various classes in technical training were offered both mornings and afternoons at the Business and Technology and Liberal Arts Campuses of Long Beach City College. Another program, the Regional Occupation Center Program (ROC), also gave students a chance to learn various trades. Classes offered included Ornamental Horticulture, Occupations in Finance, Airlines, Public Service, and Radio and Television Braodcasting. Over 300 students were active in the five types of Work Experience Programs offered to students who wished to work while still attending school.

Taking part in a cosmotology class were, *top,* Susie Pool, Neena Posner and Terri Gingras. Laurie Fosholt, *left,* displayed merchandise at Buffum's Marina as a part of the Exploratory Work Experience Program. Adding new dimensions to high school curriculum was sea school

Twenty-five Wilson students traveled daily to Poly on buses to participate in the S.E.A. School program. A new addition to the Long Beach School district's curriculum, S.E.A. School was made-up of students from the five high schools. Wilson students in the program spent 1st and 7th periods at Wilson fulfilling general graduation requirements. Classes at Poly were taught in two-hour sessions to allow more time for group discussions and student presentations.

Brooke Wharton, *right,* presented a violin interpretation. S.E.A. school students, *below,* enjoyed an original piano composition at a common experience. Discussing world problems with S.E.A. school teacher Mr. Campbell, *below right,* were Sherry Sprague, Lisa Manheim and June Cooperman.

Elective classes allowed students to develop creativity

Aside from required classes, Wilson's curriculum offered many electives. Some of these included instruction in various handicrafts. Crafts classes gave students a chance to work with clay, from the first shaping to the final firing stages.
Sewing students were taught all methods and steps necessary to make many articles of clothing. Having a more varied curriculum, art students worked with many materials, including water colors, India ink and pencil.

Taffy Spar, *top,* carefully worked on her clay lion for crafts class. Using careful brush strokes on her original painting was Donna Bradshaw, *above.* To begin work on her sewing project, *above right,* Pat Hall threaded the needle of her machine.

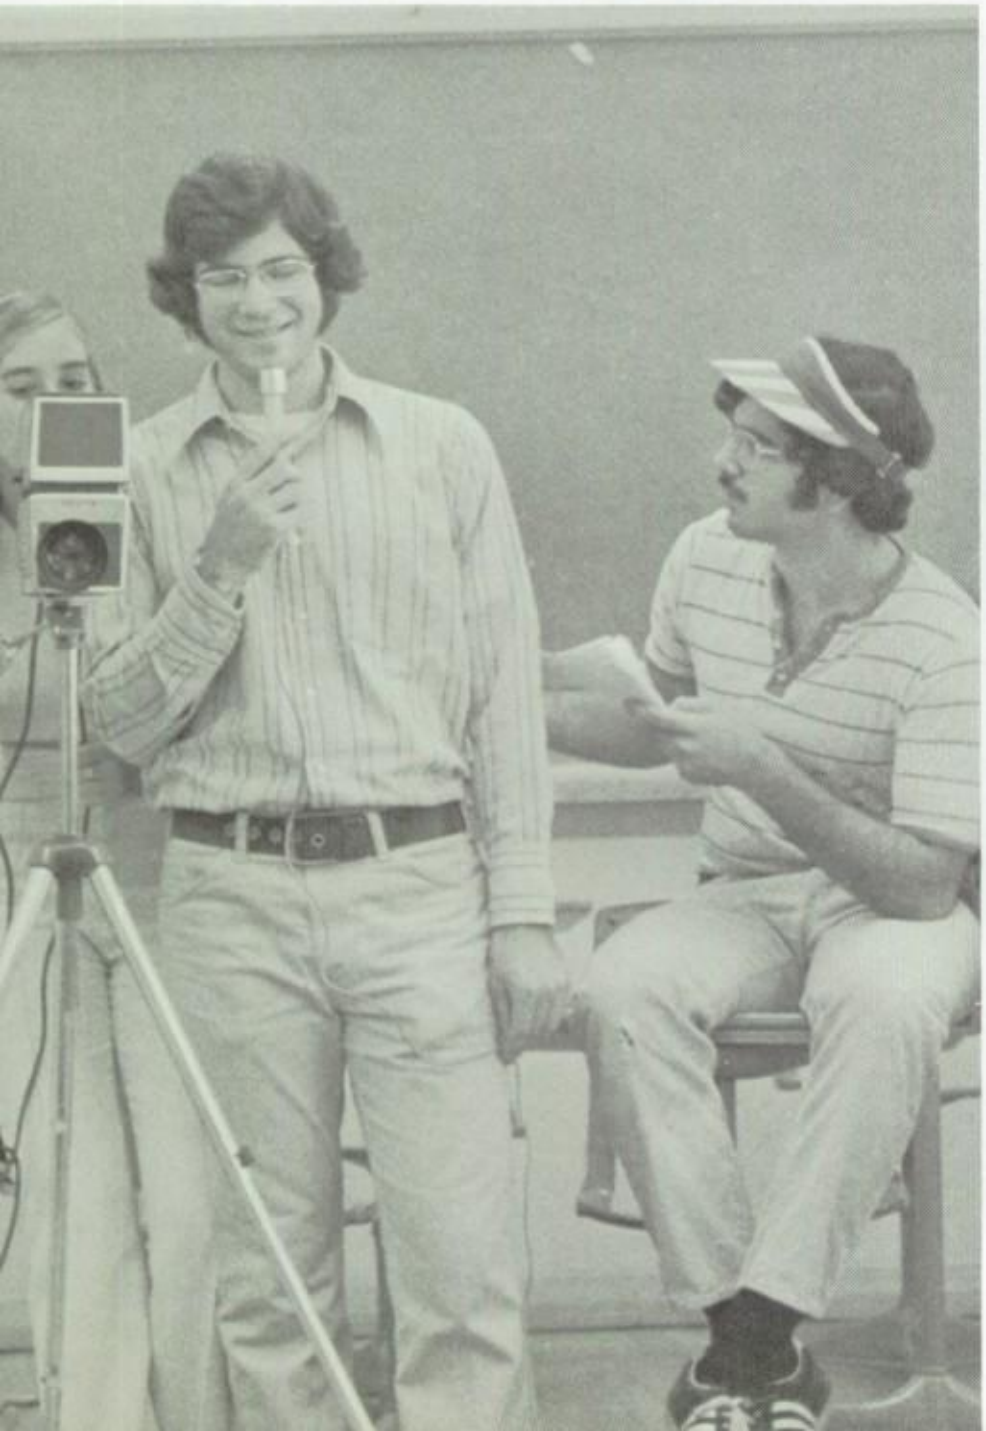
Original instruction methods motivated language students

Innovative language classes and teachers provided students with a chance to express themselves in foreign languages as well as various media.

"La classe de francais de M. Lewis" performed several scenes from famous French dramas. The language lab aided language students through recorded drills, while Wilson's language teachers offered valuable and individual instruction. Members of the English Workshop learned to express themselves through films and videotape.

Instruction included the techniques of making films - from the actual filming to the production stage. New teaching aids, such as the Listening Post, added interest and variety to English classes.



Janet Weisenburger, *far left,* helped Tim Williams prepare for his part in "Le Rhinoceros". Chris Coburn gasped as Janie Wigod, *above left,* died in the French play, "Le Malade Imaginere". Julie Grisham, *top,* concentrated on Spanish tapes in the language lab. Students in Mr. Cox's English Workshop, *left,* practiced techniques with the videotape machine. Testing of English students, *above,* was done partly by the use of a listening post.

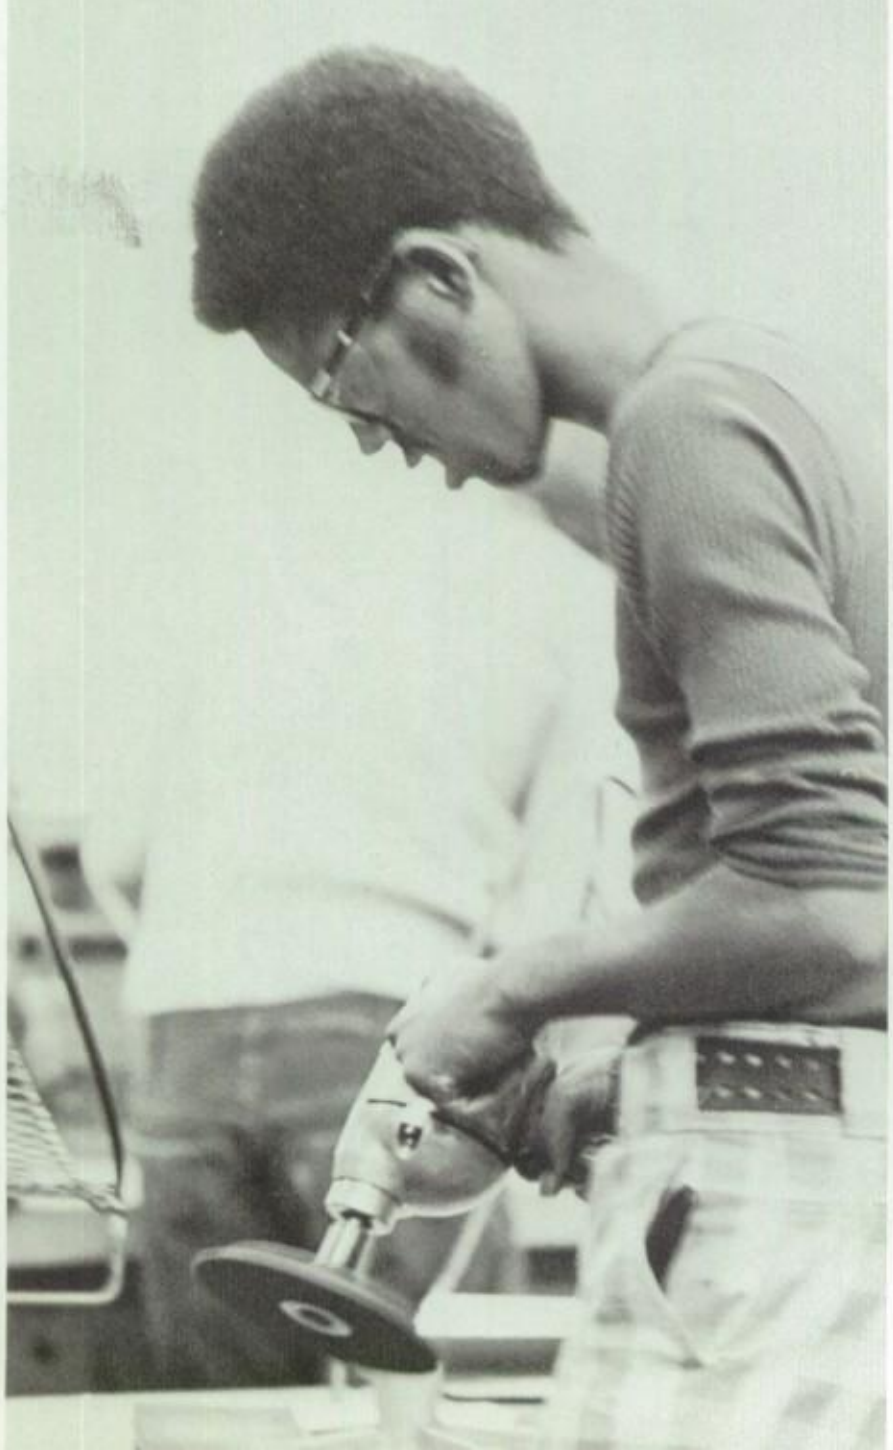
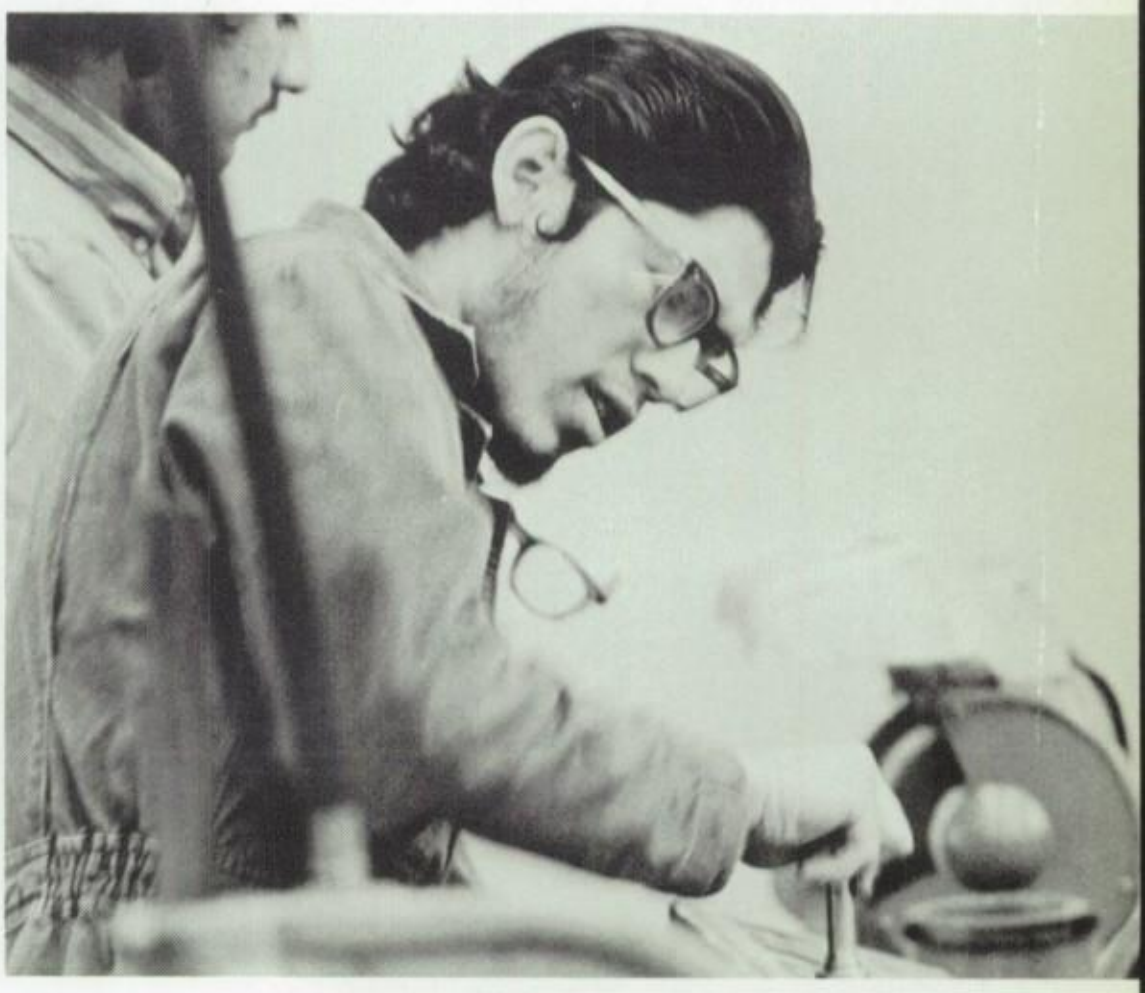
Science and industrial education explore theory and substance

Field trips and experiments demonstrated and clarified problems for interested and bewildered Science students. Marine Biology ventured out onto the open sea to examine live specimens, while Chemistry classes conducted various relative experiments. Dissections aided Biology and Physiology students in their search for knowledge and understanding.

Industrial Education students dove into unexplored regions within their class curriculum. A variety of subjects were offered; 1 in design there was Graphic Art, Industrial Drafting and Architectural Drafting. Combining experience and instruction were classes in Metals, Woods, Printing, Electronics, and Auto Mechanics.





Required subjects extended curriculum

Wilson students were aided in their quest to obtain their driver's license through our Driver Training program. The class consisted of alternate hours in a driving simulator and on-the-road instruction. The course was offered after school only and could be completed in six weeks. Required physical education classes added new ideas and subjects to their curriculum this year. Folk Dance was among the new classes open to girls, while the Boy's P.E. department offered a variety of sports to all students.

Students worked on assignment, *top,* during a simulator session. Mr. Wardle, *above right,* began on-the-road training. Members of the Folk Dance class, *right,* performed in a dance assembly. Boy's P.E. classes ran the bleachers, *far right,* as a warm-up exercise.

Student involvement was wilson administrator's main objective

Administrator's goals this year included stressing student attendence and student participation and continuing to improve school facilities. The attendence office was split alphabetically to give administrators and counselors more opportunities to talk to students. Another innovation was the ASB card, offering students a chance to save money when purchasing tickets for various school events. The instructional media building was begun this year and plans were developed for the new counseling center. Continuing the Student Interest Committee was representative of the "open door" policy of Wilson's administrators.

Our principal, Dr. Garcia, had an informal meeting with the Junior Class Council, *above,* then posed, *top,* in his office. Assistant principal Mr. Ware, *center,* emphasized his point. Mr. Workman, *above right,* explained his many duties as an assistant principal. Active member of Wilson administration, Mrs. Hambly, *right,* was busy with her responsibilities as assistant principal and Girls' League sponsor. Taking time to talk to students was one of vice-principal Mr. McKenzie's major concerns, *far right.*

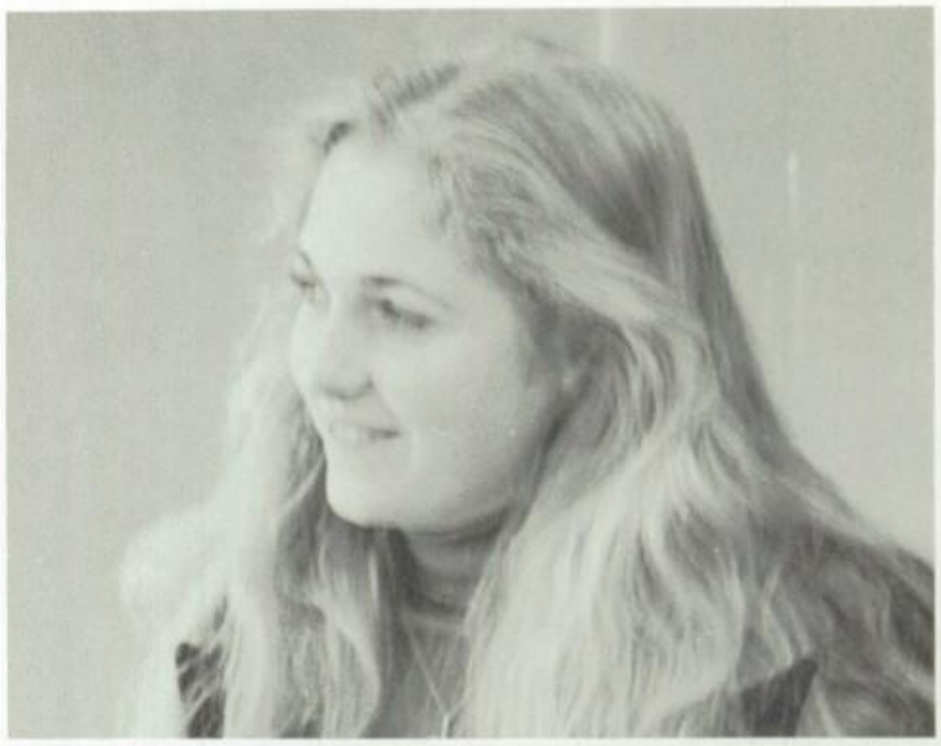
Juniors made way for coming year

With every member participating in the Homecoming events, Fall Class Council did a remarkable job contributing spirit to Wilson. The idea of having an "old car smash" raised money for the Senior Prom. During the Homecoming festivities, Council also set up a booth and decorated the arches. To tighten the bond between the student body and the principal, Fall Council held a picnic lunch in honor of Dr. Garcia. At the picnic the group discussed problems at Wilson and suggested possible solutions. Events were developed for the benefit of the Senior Prom and were passed on to Spring Council. Spring Class Council carried on traditional activities of raising money towards the Senior Prom and their Senior Gift.



At right are shown Fall President, Laurie Byrne; Secretary, Colleen O' Toole; and Vice President, Jon Thorpe. *Below*, Spring Council was represented by Patty Malloy, Vice President; Judy Porter, President; and Jan Roberts, Secretary. *Below right*, these girls were representatives of Fall and Spring Junior Class, *row one:* R.Valdivia, C.O'Toole, R.Rawlings, M. Thompson, A.Helde. *Row two:* D.Haines, P.Malloy, J.Roberts, M.Ferrone, P.Ruppelt. *Row three:* C.Greenwood, A.Witten, S.Johnson, L. Stylianidis, and C.Baker.

Barring all others, Rudy Garcia mused over a book.

Soph council recognized outstanding classmates

Working hard again this year, Sophomore Class Council selected a deserving sophomore student for weekly recognition. In addition they began the year with a candy stick sale and used the money to decorate the gazebo and field for homecoming. They also sponsored such events as a tootsie roll sale, car wash, and rummage sale during the Spring semester.

The Spring Class Council officers, *left,* were: president, Terra Lynn Dearth; vice-president, Chuck Williams; and secretary, Julie Lee. The Sophomore Class Council, *center,* included, *row one:* Henry Diaz-Duque, Mark Ewert, Tom Brennan, Mark Childress, Jeff Kenyon, Glenn Ciccarelli. *Row two:* Beth Nielsen, Leah Gipe, Terra Lynn Dearth, Tammy Milne, Karen Keye, Mary Jane Pearce, Sharon Gabler, June Raquipiso, Rene Cruz, Michelle Kunkle, Mary Bollinger, Laura Brewster, Leslie Hastings. *Row three:* Tom Clay, Kenny Alexander, Chuck Williams, Suzanne Whipple, Kristi Walls, Michele Berro, Michele Miner, Julie Lee, Gail Carne, Faith Richie, and Cindy Gibson. The Fall officers, *top,* were: president, Tom Brennan; vice-president, Karen Keye; and secretary, Gail Carne. Kristi Walls, *above,* found the class council meeting very interesting.

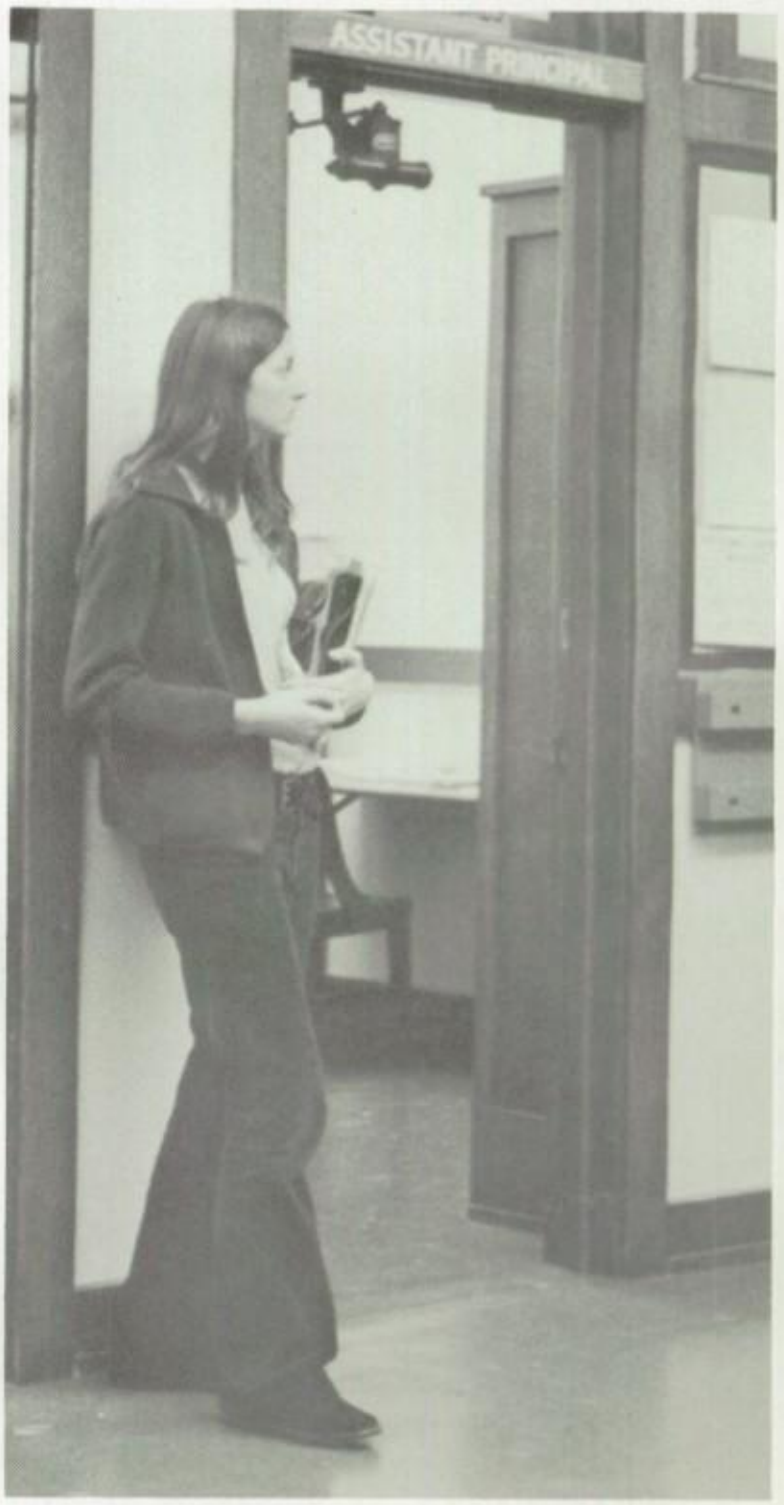
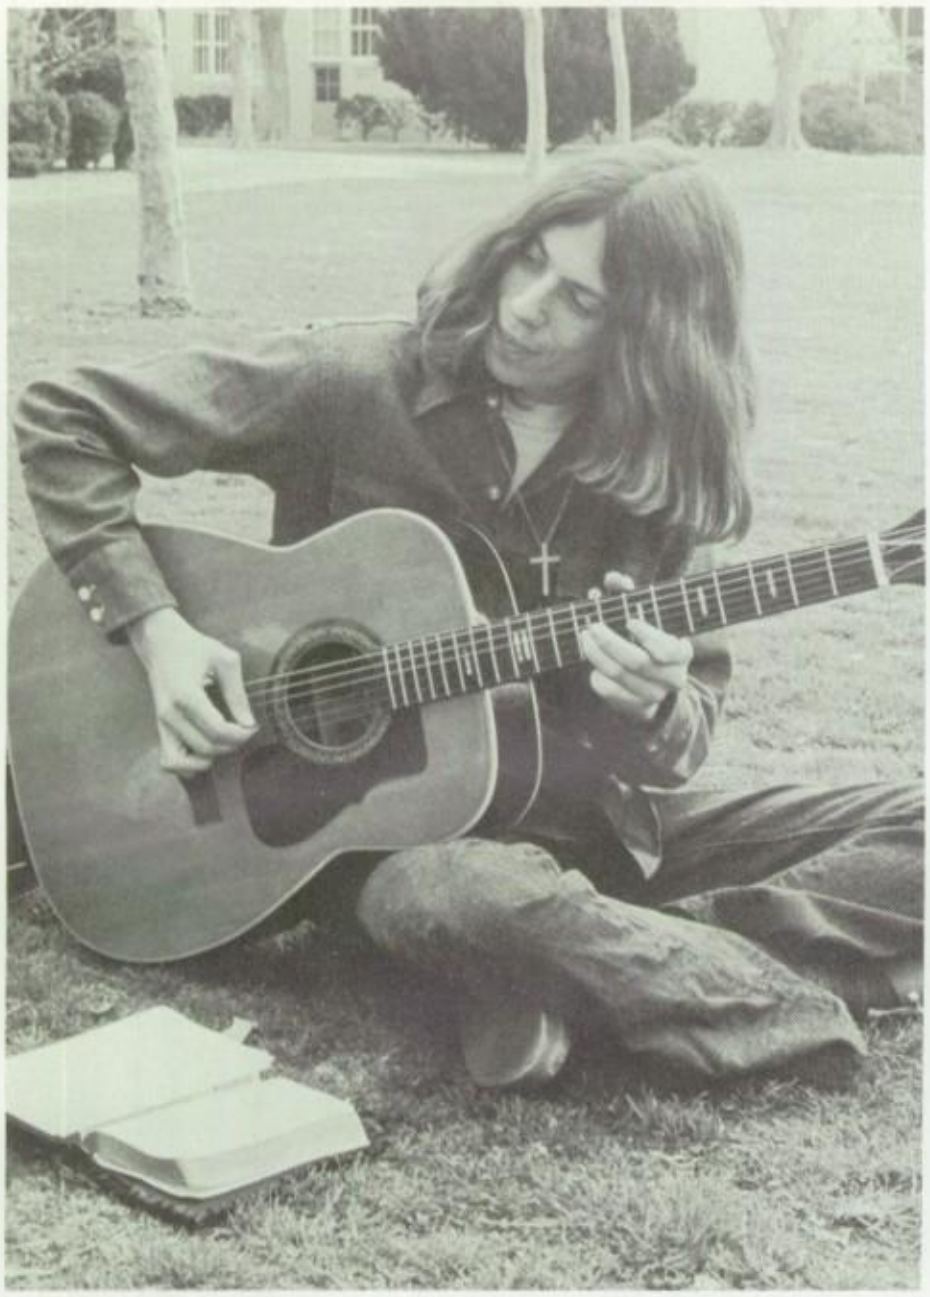
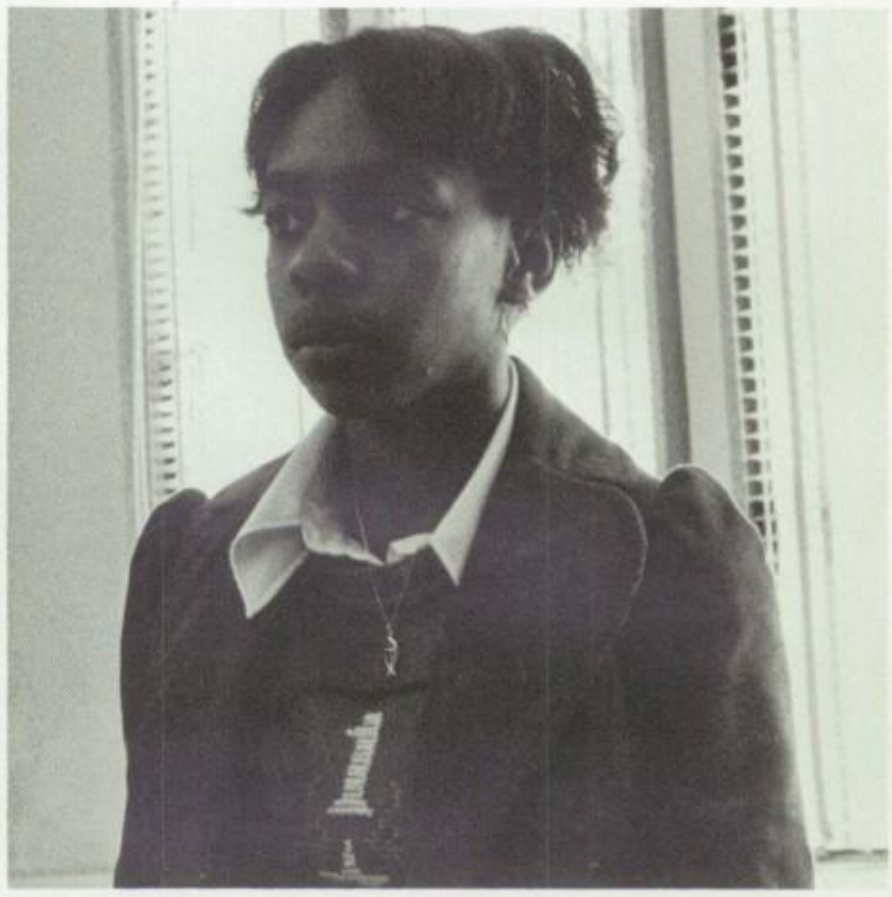
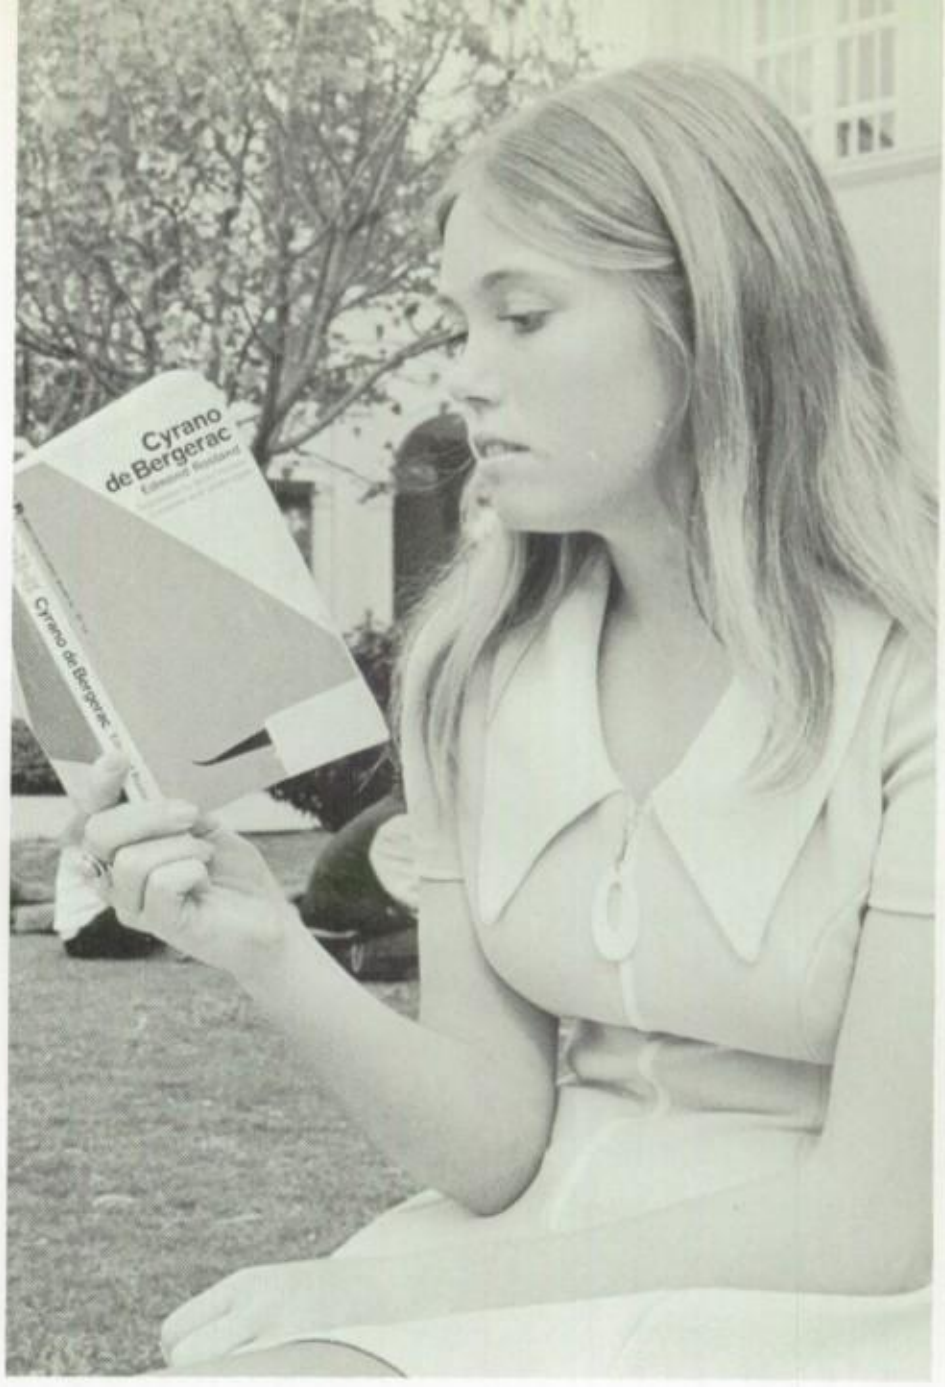
The days slid by in a precise succession. What was tomorrow's excitement has become today's memory. As the weeks and months moved on, so did we. September's unfamiliar classrooms became home for five hours a week. One can hardly remember what it was like never having been kissed in Wilson's hallowed halls.

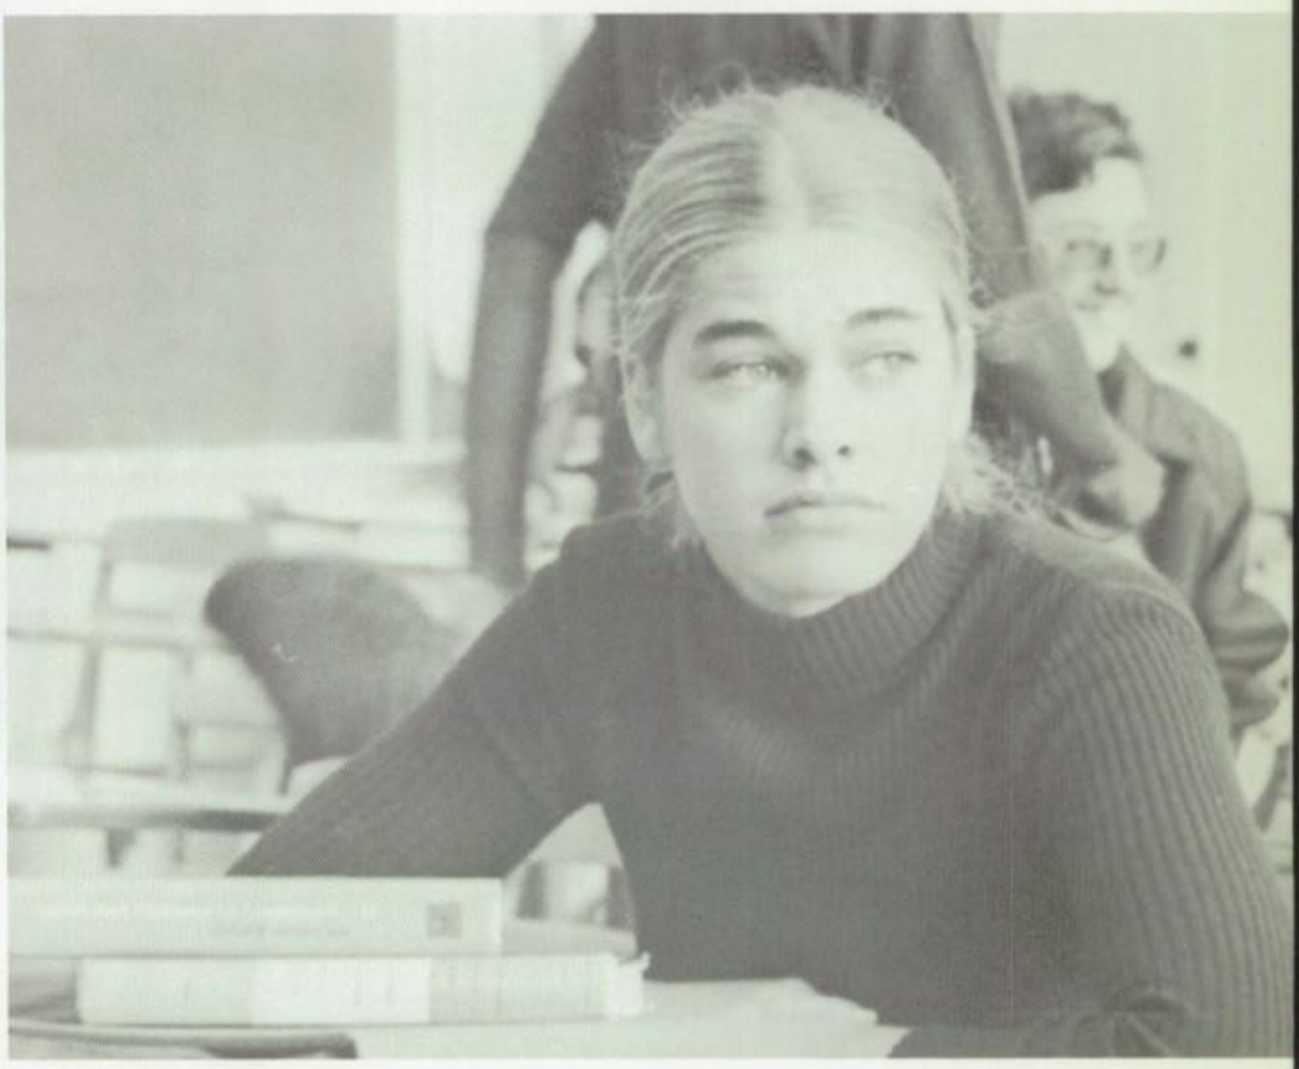






Who could ever forget experimenting with different materials, swimming butterfly, or reading Cyrano de Bergerac?





With every scrap of knowledge gained and with every
new face that became
a name,
we continued to enlarge our endless
scope of expressions.

Our memories become a hazy painting
of progressionless time whose crayon-colors of
joy and success are dotted by gray pencil
drawings of sorrow and tragedy.
Bright reds and oranges
reflect the faces of our Moore League Champion
basketball team and our second-ranked
CIF swim team.
The loud, joyous yellow of the January 27th
Vietnam Cease-fire and the
return of 142 POW's demands a large
corner of our painting of 1973.
Changes, colored green and blue, include the
instigation of the 18 year-old vote and
the introduction of Sea School and the ASB card.
But the harsh pencil drawings
blot out some of the colors to remind us of
the sorrow at the deaths of ex-
Presidents Johnson and Truman and the pointless
killings of members of Israel's Olympic team.
Dark colors of amazement
flood the painting as California
survived another February earthquake
and the United States put men on the moon
for the last time.
The Campanile is just a part of this painting;
perhaps it will become the
tool with which you add your own memories.

The members of the Campanile staff
extend their thanks to Steve Wagner and
American Yearbook Company, Morris Studios, and
the faculty and staff
of Wilson for their patience
and co-operation.
A special thanks goes to our co-editors,
Steve and Janet, for all the time and
help they gave.
